

Månsarp is situated approximately 25 km south of Jönköping, the county capital of Småland. Situated off the E4, between Gothenburg and Stockholm it can be easily reached.

If travelling from Jönköping, follow the E4 south towards Helsingborg. Follow the signs to “Torsvik” and then to the small town Taberg. At the tiny roundabout in Taberg you follow the sign to Månsarp. Drive past the church and down and across the railway line. Turn right towards “Bondstorp” and then make an immediate left onto Karlslundsgatan. Vibovägen is on your left, behind the pretty red house, and you drive up over the hill to find no 5 at the bottom on your left!
