Dear Donna,

It was a pleasure to speak with you on the phone today. We appreciate the opportunity to partner with you on the Market Faire and Rifle Frolic. Any time we can bring more visitors and showcase this beautiful region we are pleased.

As requested, enclosed are two copies of our Heart of PA magazine that we produce seasonally. Next year we hope to include a picture and article of your event. If you would like more copies of this year's magazine to mail or put in visitor packets please feel free to let us know.

Once again, we look forward to working with you on this exciting event!

Sincerely,
