18th Century Market Fair & Rifle Frolic

Dear Campers, Sutlers, Vendors and Visitors,

As the Executive Director of the Mercersburg Area Chamber of Commerce, I want to let you know that the Chamber and I are looking forward to the Market Fair & Rifle Frolic in April.

Mercersburg, Pennsylvania is the boyhood home of James Buchanan, America's Fifteenth president. Our picturesque small town is located in lush Cumberland Valley, which is in the foothills of the Tuscarora Mountains. Because of its rich collection of historic architecture, Mercersburg is a delight for the casual passer-by or for the dedicated historian.

We are a mere five miles from your site and we not only hope you will come to visit, but we also hope that you will take advantage of some of our services. The Chamber has a website that you can access at: www.mercersburg.org where you can choose in our business directory any service you may need. We have a market, laundromats, a pharmacy and two convenience stores in Mercersburg – just to name a few of the businesses you may require. The Chamber office has maps, local brochures and contact names if you need them. The Chamber's information is as follows:
