Samael Aun Weor, lecture

"If we have the Gnosis of the great ancient mysteries, it is because some very holy people thanks to their doctrinary loyalty did manage to approach the revealing dynamism of the being."

Samael Aun Weor, La Doctrina Secreta de Anahuac

"Really, 'civilisation' is the culture of the being, the achievements of the being. When science, philosophy, art, and mysticism, are intelligently combined, civilisation appears."
