ACTIVITY 6: THE BEST-ADAPTED CREATURE!

NAME: 1)……
2)……..

IN THE LAB – session 1

Visit the following websites

http://www.twindolphinsdiving.com/pics/largewebpics/Coral%20ecosystem.jpg
http://privat.bluezone.no/janerik/images/spaceart/space%20scene.jpg

Choose an **ecosystem** and create a creature, which you think would have the best chances to survive in this ecosystem. There is no right or wrong answer! Just let your imagination go wild!

You should **describe** it in a text of **100-200 words** and draw it if you like!

You can take notes in the space provided below.

ACTIVITY 6: THE BEST-ADAPTED CREATURE!

NAME: 1)……
2)……..

IN THE LAB – session 2

Now **describe** your creature in a text of **100-200 words**!

You can also **draw** it in an extra A4 paper!
