ACTIVITY 9: ECO-HOLIDAYS IN SERRES!

NAME: 1)……
2)……..

IN THE LAB – session 1

The Headmaster has suggested that you choose the place for this year's end excursion. You have heard of a nice place in Serres, where you can have fun and at the same time learn a lot of things about nature and in particular the flaura and fauna of Lake Kerkini. You tell your idea to the Headmaster, but unfortunately he wants **details** before deciding.

After hours and hours of searching in the Internet you finally find the site you have been looking for:

http://www.oikoperiigitis.gr/gr/indexgr.htm

Use the information of this site and your notes on the information your Headmaster has asked you for to create a **leaflet** of **maximum 2 pages A4 long**. This leaflet will be **distributed** to your fellow students and your Headmaster that will **convince** both of them that this is THE place to go to.

1. WHERE IS IT?
2. HOW TO GO THERE?
3. WHAT CAN YOU DO THERE, IF YOU ARE A STUDENT?
4. CAN THE PROGRAMMES BE ADAPTED TO YOUR NEEDS?
5. WHERE CAN WE GET MORE INFORMATION (OR WHO SHOULD WE CONTACT)?
6. HOW MUCH DOES IT COST?

Take some notes in the space provided below, so that next time you will be able to create your **leaflet.**
