**Note for Leaders:** If the troop is working on the IP as a project this sheet can be duplicated and given to each girl, when the activity is complete the leader or other adult (e.g. parent, computer teacher etc.) signs off in the complete box, and dates the activity. Girl who miss any activities will then have a record of requirements they have completed. When they have completed the additional activities necessary to earn the IP the completed form may be then handed in to the leader.
