**Words From Our Chapter Directors**

On Saturday, January 20<sup>th</sup>, Robin and I, accompanied by Randy Dezarn, and our 2007 Couple of the Year, Sonny & Betty Dye attended the NC District Operations Meeting in Burlington where we had the chance to see several old friends and meet some new friends from around the state. Several items were brought up and discussed which we want to share with you, both here and in coming Chapter meetings. Let me briefly hit on some of the "highlights".

1- "Wings Over the Smokies 2007" September 20-22, this year will be the **"Hawaiian Luau"**. The deadline for the WOS Rally LogoContest is April 16<sup>th</sup>, 2007. We'd really like to see someone from A-2 submit and win the Logo Contest this year!!!

2- While we're on the subject of "Wings Over the Smokies 2007", District **WILL NOT** be mailing individual registration forms to members as they have in years past. You will have to either print one from the District Website, or obtain one from Robin and me.

3- There will be a "Best Dressed Hawaiian Theme" and "Talent Show" this year as Friday night's entertainment, so dig out those grass skirts and cocoa nut bras!!!

OK, so much for "Wings Over the Smokies", on to some other interesting things in the works:

1-A GWRRA member, Paul Trahan with NC F-2, has done some research with the NC DMV and found out that we can get special Goldwing license plates for our automobiles and trucks if there is enough interest. Paul will need to get 300 signed and paid applications from around the state, before he can get with his state legislator to start the process. If you are interested in participating in this program and eventually proudly displaying Goldwing license plates on you vehicle(s), please e-mail Paul at: [patrahan@aol.com](mailto:patrahan@aol.com), or call him at (919) 761-9869.

2- How would you like to ride your Goldwing on a "Parade Lap" with dozens of other Wings at the opening of the "Coca Cola 600" at Lowe's Motor Speedway on May 27<sup>th</sup>? Willie & Judy are trying their darndest to put it together so that for a \$5.00 donation per person, all proceeds going to the Victory Junction Gang Camp, you can participate in an escorted ride around the track!!! Nothing is "final" on this yet, so we'll keep you posted. We're really excited about this coming year, and certainly hope you are too!!

## RIDER EDUCATION

From Randy Dezarn

### Winter Has Finally Arrived

It appears Old-Man Winter has finally made it to our area. We have been very fortunate to be able to do as much riding this year as we have. But now, what to do with ourselves?

On those Saturdays that are too cold or wet to do anything else is a good time to clean out the trunk and saddle bags. Get out the rain suits and see if they need replacing. Check that first-aid kit (you do have a first-aid kit on your bike, right?) Make sure all the different items are not out of date. If you have a fire extinguisher, make sure it's still charged. I found I had maps that were 15 years old! Those need updating.

CONGRATULATIONS! To Ron and Sue Stalter, Jim and Pam Loveless for receiving the Level I patches at the last meeting!

### First-Aid – CPR Training

We have scheduled a First Aid – CPR class on February 24 at Davidson County Community College. I'm still working out the details with the instructor so stay tuned.

### ACD's Corner :

We had a great planning meeting on the 13<sup>th</sup>. A lot of new ideas were tossed around. Something new that we put on the calendar is a parking lot practice. A few years ago we were practicing for the Welcome Easter Parade and we got a lot of practice in for that. Ever since, A. C. has commented that practice had made him a better rider. So here's the chance for all of us to improve our riding skills. Steve had an interesting idea for Motorcycle Awareness Month. Plus, we planning to go watch them make fruitcake!

Randy

## News From the National 30 Years of Memories!!!

-In 2007, the Gold Wing Road Riders Association (GWRRA) will celebrate its 30th anniversary. What an accomplishment for a motorcycle association! Founded in 1977 by Paul Hildebrand and Shirley Stephens-Garcia, along with seven other fellow Gold Wing enthusiasts, GWRRA began as a dream and has grown, over the years, into an 82,000-Member, 55-country, internationally renowned reality.

-Today GWRRA—with over 880 Chapters, 4,000 Volunteer Officers and a corporate staff of only 20—has taken the idea of association management and volunteerism to levels never before seen in the motorcycle industry.

**GWRRA is the world's largest single marquee motorcycle association!**

-To celebrate its 30 years of success as an association, GWRRA is planning a series of events throughout the U.S., Canada and Europe. The theme for these celebrations is “30 Years of Memories.” Each event will also have a subtheme of “Giving Back to the Member.” As you can imagine, 2007 will be a very exciting year for GWRRA and its Members. It will be a year of both memories and of showing appreciation for our Members. So plan to attend as many 30th anniversary events as you can. **We know you'll HAVE FUN!!!** After all, that's why you joined GWRRA, isn't it?

*And, THANKS to all of you ---- GWRRA would not be here if it weren't for you!*

### Special Note From Your Newsletter Editors...

-Make sure you visit the special website set up for the 30th Anniversary. There will be all the information you need to attend any of the special celebrations this upcoming year, special promotions, a message board, and you can even see pictures of GOLDWINGS! Just go to [gwrra.org](http://gwrra.org) and follow the links...we know you will enjoy this site.

## New Requirements for Travelers

### *Under the Western Hemisphere Travel Initiative ( WHTI)*

The proposed implementation timeline has two phases:

- Beginning **January 23, 2007**, ALL persons, including U.S. citizens, traveling by **air** between the United States and Canada, Mexico, Central and South America, the Caribbean, and Bermuda will be required to present a valid passport, Air NEXUS card, or U.S. Coast Guard Merchant Mariner Document, or an Alien Registration Card, Form I-551, if applicable.
- As early as **January 1, 2008**, ALL persons, including U.S. citizens, traveling between the U.S. and Canada, Mexico, Central and South America, the Caribbean, and Bermuda by **land** or **sea** (including ferries), may be required to present a valid passport or other documents as determined by the Department of Homeland Security. While recent legislative changes permit a later deadline, the Departments of State and Homeland Security are working to meet all requirements as soon as possible. Ample advance notice will be provided to enable the public to obtain passports or passport cards for land/sea entries.

*The passport requirement does NOT apply to U.S. citizens traveling to or returning directly from a U.S. territory. U.S. citizens returning directly from a U.S. territory are not considered to have left the United States and do not need to present a passport. U.S. territories include the following: Guam, Puerto Rico, the U.S. Virgin Islands, American Samoa, Swains Island, and the Commonwealth of the Northern Mariana Islands.*

### Tim's Tech Tip

**Rodents Revisited!** After hearing that my Dad found acorns inside of his 1500, while changing his air filter, it seemed appropriate to touch on this subject again. Let us all be aware that "Critters" may store food for the winter inside our bikes this time of year! He also discovered a piece of plastic that found its way to the air intake. This is a good time of the year to do these projects, and maybe discovering these problems while at home, rather than on the side of the road, miles from home.

Added Note: Put some Decon around your bike to take care of Rodents!!!!
