Next Chapter Meeting

June 3, 2008

<http://www.w.geocities.com/gwrranca2/>

From Your Chapter Director

The Merry, Merry Month of May

May has been a great month for the Chapter. We've had some great rides thanks to Dottie and Bernie. We had a great turn out for our May meeting. We were able to give away the Central Travelers Plaque to the folks at Chapter G from High Point.

More good news – Don Pennington was able to come home from the hospital with a good report from the doctor. Also, Cathy Broughman is home recovering from her back surgery.

We have lots coming up in the months ahead. First in June is our Care Bear ride on the 21st. In July we are co-sponsoring the Hospice of Davidson County Ride for Angels on the 19th. I'll have a sign-up sheet for that event at the June meeting. Also it's time to be planning for working at "Wings Over the Smokies". The District folks will be needing worker rosters and shirt orders so we'll need to be getting that info together.

Of course in May we celebrate Mother's Day. My brothers and I decided we would take Mom out for Sunday dinner on her special day. So we all arrived at the restaurant and I was so glad we were all on time for once. But then we all realized we forgot to get Mom!

Randy D

Chapter A2 meets the 1st Tuesday of each month at Capt'n Stevens Seafood Restaurant on Hwy. 150 & Friendship Church Rd. in Lexington We Eat at 6:30 Meet at 7:30

From Your Assistant Chapter Director

This is the fourth in my series of interviews to get to know our Chapter staff members. So far, I have interviewed our Chapter Couple, our Chapter Educator, and our Chapter Treasurer. This month I interviewed Ruby Pennington, our Chapter Member Enhancement Division (MED)/ Special Events Coordinator (SEC), and here were her replies to my six questions.

Q 1 & 2. – How long have you been a GWRRA/Chapter NC-A2 member?

A 1 & 2. – Since November of 1995 for both.

Q3. Why do you stay in NC-A2 and the GWRRA?

A3. She stays because she loves the people.

Q4. Why did you accept the position as Chapter Member Enhancement Division/Special Events Coordinator?

A4. It was announced at a meeting that we needed a Chapter MED. It was explained as a job that required planning things, which she loves. She enjoys that kind of work, so she just went for it.

Q5. What do you see as being the responsibilities of your position as Chapter Member Enhancement Division (MED)/ Special Events Coordinator (SEC)?

A5. As MED, she doesn't really know. She does receive a newsletter every month about it, but it hasn't really been explained to her just what the position is about. We'll work on this!

As SEC, her job is to plan fun trips and come up with activities and overnight things to do. The purpose is to help members build relationships and friendships. Anyone can make suggestions for places to go or things to do, and she will work on the planning. These are special events, not the month to month activities that we do as a chapter.

Q6. What is your favorite GWRRA memory, so far?

A6. Her favorite memory so far is July 30, 1995 when she and Tim on the Blue Ridge Parkway. (Ask her about this!) Next would be the Island, South Carolina. She felt like she was amongst good people, built, and she really enjoyed being among friends. Not to mention the excellent food!

went on a moonlight ride
Chapter trip to Fripp
good friendships were

RIDER EDUCATION

This month's featured article comes to us from Andrew & Linda Tanis, CE NC-N

Riding at Night: Now that June is upon us with the weather getting warmer and the days getting longer, it's time to start riding again! With any riding season we all know the inevitable will happen; we will at some point and time be riding at night. Riding at night can pose some new challenges to us as riders we do not normally face in day light riding. But with a few precautions and a little education, we can still have a safe and rewarding ride. Here are some methods that will help you ride safely at night:

Reduce Your Speed - You can't see as well! If something is lying in the road ahead, you may not be able to see it until you are very close to it. If you are going too fast, you may not be able to avoid it. Always drive slower at night than you would during the day-particularly on roads you do not know well. If you have 20/20 vision during the day, you will have the equivalent of 20/200 at night. What you can see at 200 feet during the day can only be seen at 20 feet at night. This is due to medical as well as physical reasons.

Increase Distance - No one can judge distance as well at night as during the day. Your eyes rely greatly upon shadows and light contrasts to judge both how far away an object is and how fast it is coming. These contrasts are missing or distorted under the artificial light available at night. Allow yourself extra distance at night. Open up a three-second following distance and give yourself more distance in which to pass. If it's not enough that your vision is "impaired" by the dark, flashes of light can further cause problems. Anyone who has experienced a car coming at them with the high beams on understands what I'm talking about. This is called a night blind spot. A night blind spot would hide a nail or screw at 3 feet, a dog at 100 feet and a car at 1,000 feet. It helps if you do not look directly into the bright light. Instead, avoid the light for more than a second or two and slowly scan from side to side.

-Given this information, the problem we all face at night is that we override the headlight. Simply stated, it will take you a longer to stop than the distance your headlight illuminates. Stopping distance is the time it takes to react plus the time it takes to actually stop. The response time for an average rider is one half (1/2) second. The following are stopping distances:

Initial Speed (mph)	35	45	55	65	75	85
Distance to react (ft)	26	33	40	48	55	62
Distance to stop (ft)	65	106	157	218	289	414

Tim's Tech Tip

We all know we should check our tire pressures before riding our Wings. Now it is time of the year that we may be taking longer overnight trips. So do not forget to check those pressures each day while traveling. Recently while on a long trip I was checking tire pressures in the parking deck before the return trip. For some reason the gauge would not seat properly on the valve stem, resulting in a loss of air pressure. A better plan is to check the tires on the bike and trailer at a nearby Gas Station so the tires will be cool and have handy source of compressed air if needed.

Tim Pennington

~~~~~

## From Our Chapter Couple of the Year

As The weather is getting warmer and the Central Couples Plaque is busy traveling to the chapters. We had the privilege of attending Chapter G's Open House in Asheboro (great job High Point, it was a fun day) where the plaque was up for grabs, ( didn't win), but we traveled to Chapter B2's meeting in Winston-Salem ( didn't win there either ) then we tried one more time at Chapter X2's meeting, ( lost again), but we will keep trying. We certainly enjoy attending the meetings and seeing past and present COY's , win or not ( but hopefully we will win the plaque at least once this year.)

Don't forget our canned food drive for the Pastor's Pantry. We appreciate all the contributions and hope we can continue to give to the elderly residents of our county. I would like to thank Bernie and Dottie for delivering our food to the pantry this month, we appreciate you filling in for us.

Probably by the time you read this, the selection on the Region N Couple of the Year will be known, we hope that we can tell you next month that our new Region N COY is Allen and Carolyn Little. They have done a great job representing our district and we are very proud of them.

On the Road Again,

Sonny and Betty  
A2 Couple of the Year

## **There was an article in the Davidson Reporter about the Pastor's Pantry.**

A food shortage at a regional food bank is having ripple effects in Davidson County. Pastor's Pantry was shocked earlier this month when it learned the stock at Second Harvest Food Bank of Northwest North Carolina in Forsyth County – where the local agency receives or purchases about 50 percent of the food it distributes to senior citizens here – was very low.

“We're down 600,000 pounds in receiving food from the grocery stores and the government's emergency food assistance program.” Second Harvest Food Bank.

To help Pastor's Pantry over the slump, we requests anyone who can to donate:

Oatmeal and grits, canned mixed vegetables, canned carrots, canned peas, canned green beans, tuna, canned meats, elbow and spaghetti pastas and rice.

Pastor's Pantry provided 279 senior citizens ages 60 or older 844 bags of groceries in April.

# Rides Planned For June, 2008

## Planners: Gerry & Peggy Grotberg

| Date                             | Destination                                         | Details                                                                                                                                                                                                                                                       |
|----------------------------------|-----------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| June 5 <sup>th</sup> – Thursday  | Chapter V Gathering, Statesville                    | Leave from Newbridge Bank at 6:00 PM                                                                                                                                                                                                                          |
| June 7 <sup>th</sup> - Saturday  | D-Day Memorial at Bedford, Virginia                 | Leave from Newbridge Bank at 8:00 AM – There is an entry fee for this. This is a ride that takes about 3 hours to get to. You may want to plan on spending the night if you feel that it would be too tiring to go there and back in one day. (Safety First!) |
| June 14 <sup>th</sup> - Saturday | Chapter R's Care Bear Ride then to Locust for Lunch | TBA                                                                                                                                                                                                                                                           |
| June 20 <sup>th</sup> – Friday   | Shiki's in Mocksville                               | Leave from Newbridge Bank at 6:45 PM.                                                                                                                                                                                                                         |
| June 21 <sup>st</sup> – Saturday | Our Care Bear Ride                                  | Leave from Newbridge Bank 10:30 AM                                                                                                                                                                                                                            |
| June 21 <sup>st</sup> - Saturday | Bill & Deidre Sprinkles Lake House                  | Leave from Newbridge Bank at 1:00 PM. This will be a cookout. Gerry and Peggy will provide the hamburger meat and hot dogs, but everything else will be pot luck. Please plan to bring something.                                                             |
| June 28 <sup>th</sup> – Saturday | Shirley's Home Cooking at Roan Mountain, Tennessee  | Leave from Newbridge Bank at 11:00 AM. (They open for lunch at 2:00.) Last time we went here, some people chose to spend the night because they were too sleepy to ride after the huge family style meal. You may want to consider this option as well.       |

### MONTHLY RIDE COORDINATORS

Each month a person or persons from the chapter will be planning rides for the chapter for the whole month including Friday Night Dinner rides and other Chapter meeting rides. Send your planned rides to Bernie via email at [wing.1@earthlink.net](mailto:wing.1@earthlink.net) so we can get your rides listed in the newsletter.

## **Reminder**

As we were moving stuff from the old 1200 to the new 1800, we found this emergency sheet. It hadn't been updated in awhile. This information would be very important in case of an accident, and the EMS people were called.

## **EMERGENCY INFORMATION SHEETS**

Have you completed an emergency information sheet for your bike listing:

1. Blood Type of Rider and Co-rider
2. Medicines of Rider and Co-Rider
3. Doctors Names and Telephone #'s of Rider and Co-Rider
4. Medical Insurance Information of Rider and Co-Rider
5. Bike Insurance Information
6. Emergency Contacts - person to call in case of accident

This sheet should be typed and placed in the left front pocket of the bike.

## NEWS FROM NATIONAL

July 5th, 2008

### A2 Day Ride to WING DING

#### Wing Ding Themes

This year for Wing Ding we plan to extend the theme "Riding through the Decades" into the entire Wing Ding 30 event. Wing Ding 30 will have individual theme days for each day of the event. "Decades of the Day" 50's – 60's, 70's – 80's, 90's and beyond!

#### Thursday, July 3 -- Theme will be the 50's and 60's

We would like to encourage Members to dress up in 50's and 60's attire. Fifties and sixties day will also introduce a new Chapter competition for Wing Ding 30 in the Ballroom at 11:30 a.m. The Chapter dressed the most creatively in the 50's or 60's theme will win! The winning Chapter will have their picture placed in *Wing World*, as well as win a special prize! Members are encouraged to come and cheer for their Chapter.

Following the Chapter competition is the **Mascot Contest** in the Ballroom 1:00 p.m. – 3:00 p.m. The Mascot most dressed in the attire of any of the decades (50's-60's, 70's-80's, 90's and beyond) will win a special prize. Executive Director, Melissa Eason, will introduce the Home Office Mascot.

Immediately following the Mascot Contest, is the **Krazy Hat Contest** in the Ballroom from 3:00 p.m. – 4:00 p.m. The hat designed or decorated most like that worn in any decade (50's-60's, 70's-80's, 90's and beyond) will win a special prize!

#### Friday, July 4 - Theme will be 70's –80's.

We would like to encourage Members to dress in 70's or 80's attire.

INB will hold a special videotaped competition of "**Name the Year of That Bike!**" with a few lucky standby individuals from the crowd. These participants will be shown a few pictures of Gold Wings, year NOT disclosed. The contestant who can guess the most correct years, or can guess them the fastest, will win a special prize.

#### Saturday, July 5 - Theme will be 90's and beyond!

Members are encouraged to dress either present day or very futuristic!

**We will be introducing the "Gold Wing of the Future!" Bike Show**, judged as a Members' choice. Members may bring in a toy model, a detailed drawing or even a picture of their futuristic bike for display. Members will be allowed to view and judge each "bike" by placing a ticket in a bucket for their choice.

Enjoy the Ride!  
Melissa Eason  
National Director  
GWRRA
