Bucket List

Several months ago we rented the movie, 'The Bucket List'. It's a great movie that makes folks in my age group really start thinking about things that you have always wanted to do and planned to do some day. One of the things that I have wanted to do for some time was to ride to Deals Gap. I've heard all the stories from folks who have been. How it's great; not so good; been on better/curvier/scarier roads. Anyway, there is this mystic about 'The Dragon'. And I wanted to check it off my Bucket List.

My birthday was coming up and I was scheduled to be off work that week. Back last year I had mentioned it to Gerry and he said 'Let's go!'. So we planned for my birthday. Last month Gerry and I were talking about the trip and he told me Sonny wanted to go because he had never been. Good deal! In the meantime, my friend and riding buddy Teresa Seymour sent me an email. She was all excited – She had seen a video on the internet about Deals Gap and wanted to know if I had ever heard of it! Well, I told her of our trip and asked if she wanted to ride with us. She said she would but not on her bike!

On the day of the trip the weather was questionable. In Statesville we pulled over and put our rain gear on. But it never got real bad and we could probably gotten by. We arrived at the resort at lunch time. After some burgers we headed up the road. I got tickled at Gerry. As soon as we cleared the first curve, he keyed his mike and said 'One'. Did the same thing after the next curve – 'Two'.

After number 318 we hit a long straight stretch along the river. We felt there should have been a banner or something saying 'You Made It' to let you know you were done. After a brief rest the weather really got nasty. The wind got up, the sky turned black and the rain came. Teresa called it a Category 5 hurricane! We jumped back on and headed back at a much different pace. It was a long day. Lots of miles. A great ride. And I have one less thing on my Bucket List.

Until next time,
Randy Dezarn
Randy D

Gerry, Sonny, Randy rode
Deals Gap 6/11/2009
It was Randys 'Birthday.

Preventing Heat Related Illnesses

I borrowed this article from the national Rider Ed news letter. I thought that it would be appropriate for this time of year, when the hot weather is starting. We need a reminder of how to care of ourselves and other chapter members, to prevent heat related illnesses. You can prevent heat-related illnesses. The important thing is to stay well-hydrated, to make sure your body can get rid of the extra heat, and to be sensible about exertion in hot, humid weather. Your sweat is your body's main system for getting rid of extra heat. When you sweat, and the water evaporates from your skin, the heat that evaporates the sweat comes mainly from your skin. As long as blood is flowing properly to your skin, extra heat from the core of your body is "pumped" to the skin and removed by evaporation. If you don't sweat enough, you cannot get rid of the extra heat well, and you also can't get rid of heat as well if your blood is not flowing to the skin. Dehydration will make it harder for you to cool off in two ways: (1.) you won't sweat as much, and (2.) your body will keep the blood away from the skin to keep your blood pressure at the right level in the core of your body. But, since you lose water when you sweat you must make up that water to prevent dehydration. If it is humid, it's harder for the sweat to evaporate—this means that your body can't get rid of the extra heat as well when it's muggy as it can when it's dry.

The best fluid to drink when you are sweating is water. Although there is a little salt in your sweat, you don't really lose that much salt with your sweat, except in special circumstances; taking salt tablets may raise your body's sodium levels to hazardous levels. (You should consult your doctor to see if you need the extra salt.) "Sports drinks" such as Gatorade® will work also, but water is usually easier to obtain.

It's also important to be sensible about how much you exert yourself in hot weather. The hotter and more humid it is, the harder it will be for you to get rid of the excess heat. The clothing you wear makes a difference too; the less clothing you have on, and the lighter it is, the easier you can cool off.

I'm going to stray from the article here. We as motorcyclists are prone to heat related illnesses because the riding gear we wear for protection covers most of our body. We have to pay very close attention to the hydration process during the summer months. In the Air Force I taught survival training. There were two things we always told our students to remember. I will share them with you – (1.) The best place to store water is in your body, that full water bottle doesn't do you any good. (2.) If you are thirsty, that is the first stage of dehydration - so drink!

We all love to ride and the weather around here is great for it. If we'll just apply these simple tips to prevent dehydration, we can enjoy a long hot summer. Sorry we missed you at the meeting.

As always,
Gerry

Ride Safe!

**There were Two Deer Strikes in June resulting in injuries to 3 Gwrra Members :
One involved our own Bill Plyler being struck by a deer in Pa. on his way to Americade**

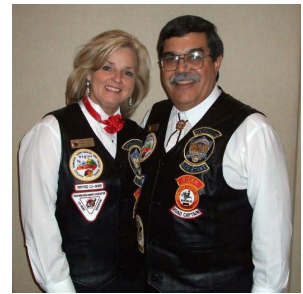

Bill was knocked off the Left side of the bike and received some road rash and Bruises and the deer took a chunk out of his windshield. Luckily Bill was able to complete his trip on his bike.

Second Mishap: A deer came down a large embankment on Interstate 77 in West Virginia and jumped over Kyle & Mitzela Craigs Wing and landed in Front of Dean & Terry Lannings Goldwing. Dean was hard on the brakes but there was no where to go but down. Dean hit the deer in the side with the Front end of his Goldwing . Their Wing was totaled and they suffered cuts and road rash. The Lannings are recovering and doing well after the accident.

Region "N" News Chapter Visitation

Kathy and I enjoy reading the Chapter and District newsletters that we receive via email and snail mail.

It gives us some insight into what Chapters are interested in and how active they are. Occasionally, we will read an article that describes a recent Chapter gathering and tells how many people visited the meeting. In case you haven't thought about it lately, visitation is the lifeblood of any Chapter.

Visitors from other GWRRA Chapters help to "round-out" your Chapter's gathering. Seeing people from different parts of your District, or a neighboring District, is always refreshing and welcomed. Visitors get a chance to observe how your Chapter conducts a meeting and get some ideas for their own Chapter. Visitors also may bring door prizes to add to the fun of "winning" some little thing. And many visitors also bring some 50/50 money and that ALWAYS helps a Chapter's coffers.

When you have visitors, welcome them and show them how you feel about them being at your meeting. Keep in mind, you may even see visitors from long distances and even other countries that are on vacation and just happen to be in your area on their trip. Likewise, when you're out traveling, check into what Chapters are having gatherings in the area where you're staying.

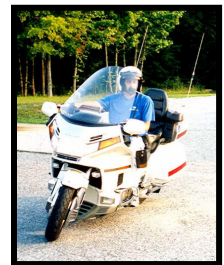

You'd be surprised how much of an ambassador you may end-up being for your Chapter or District or Region. When you do attend a Chapter gathering, make your presence known by signing-in. If you're called on to say a few words, be ready to talk about what's happening in your part of the world and invite folks to stop by to visit your Chapter or your District's event. That means keeping up on the current events going on in your part of Region N. So, visit websites of Chapters you may be visiting, read their newsletters and discover something about these fellow members. Returning the favor of a visit has always been a principal and recurring ingredient for the life of any Chapter. Visitation is indeed, the lifeblood of any Chapter. We all participate with a specific Chapter but we're members of all Chapters, worldwide. So as you travel this summer, even if it's only within a 60 mile radius of where you live, visit websites, read newsletters and discover what's coming up in GWRRA that you can attend and help make a success.

Frank and Kathy Albert Region N Directors

The Tech Guy Tim Pennington

GL-1800 Tips : *Unusual GL1800 Battery Charging Problem*

On The GL-1800's If the Battery goes Dead ,Check the Cruise Control Fuse . When this fuse goes bad, the Battery will NOT Charge due to the Cruise Control Circuit and the Alternator are tied together in the same system .

If the cruise control fuse is good : check the battery for a dead cell, if the cruise control fuse and battery are good ,have the alternator checked.

The best way to know your cruise control fuse is good is to leave the Cruise Control Button in the on position all the time, as long as the cruise light on the dash is on , you will know the fuse is good and your alternator charge is reaching your battery.. You do not have to leave your cruise engaged for the cruise light to stay on. Your alternator can be working properly but if the cruise control light is not on when you push the cruise button it means your cruise control fuse is bad and the alternator will Not be charging your battery even though it is putting out the correct voltage.

Spare Keys For GL1800. The Honda Accord key blank is the same and can be used as a backup key for emergencies. This only applies to US GL180

Chapter A2 COUPLE OF THE YEAR

Bill & Deidre Sprinkle

Greetings from your chapter couple. Where has June gone? As I write this month's article, Bill and I are getting ready for the chapter to come to the lake. I am sure next month's newsletter will be filled with many interesting pictures as it was last year. We look forward to everyone coming and having an afternoon of fun on the water.

Bill and I have been visiting the central chapters this month. We have raised quite a bit of money for Chistine through the different chapter raffles. Everyone has been so kind and generous and we do appreciate everything that is being done. August 22, is quickly coming upon us, and Bill and I along with the other couples are working hard to make sure the tournament comes together successfully. Also, please do not forget about our Hospice Ride for Angels on July 18,. We will need volunteers so mark your calendars and plan to be there. From what I hear, this year is going to bigger and better. Lastly, keep the can goods coming. The Senior Pantry is so appreciative of our donations and our chapter has really supported this project.

Thank you.

Until next time, continue to ride safe and remember to drink plenty of water, because dehydration on a motorcycle in this heat can come quickly.

Bill and Deidre
Your Chapter Couple,

A Big Thank You to Greensboro for their contribution of over \$1,000.00 to Christine's Wheelchair.

Christine is a resident of Horizens Residential Home Care in Rural Hall

Christine Fundraisers:	Greensboro's Yard Sale	June 6
	Central Couples Golf Tournament	August 22
Wheelchair	High Point is doing goody bags for the Golf Tournament	
\$ 8,000 to 10,000	Lexington's Monthly Raffles and gifts to Christine on	
	Valentines, Easter, Birthday, & Christmas	
	Durham is selling desserts at their monthly meeting	

Below is the Raffle List. You do not have to do a cake, although food is popular. You can bring anything you think would be a good raffle item. The raffle is to raise money for Christine's fun raiser. We are trying to buy her a new Wheel Chair (\$10,000). Several Chapters are helping us.

July	Bill & Deidre
August	Steve & Robin
September	Bernie's Mom
October	Gerry & Peggy
November	
December	

Christine's Raffle	Randy's Mom	- Cake
	Ruby Pennington	- Cake
	Dottie Motley	- Afghan
	Betty Dye	- Cake
	Lynn Nicholson	- Cake
	Total	- \$ 436.94

July 7 Lynn Nicholson
 July 9 Gerry Groberg
 July 16 Tim Pennington
 July 25 Robin Deane
 July 31 Don Pennington

NONE

July 1990 Don Pennington
 July 2001 Steve Deane
 July 2001 Robin Deane

Did a little bird tell us that
 Lynn and Cathy are getting
 Married on July 19th.

CONGRATULATIONS & HAPPENESS ALWAYS

Get Well

Please keep those who are sick in your thoughts & prayers

Bill Plyler has road rash, and a sore foot. A deer collision in PA. the 3rd day of his trip to Americade.

Robin Dean's daughter was really really sick due to medicines that didn't go together. Robin flew to California.

In Remembrance

Betty Dye's sister, Barbara Scarlett, passed away On June 23rd at 12:30 PM. She had leukemia. Please Remember Betty and her family in your thoughts and prayers.

**\$100 to be given away at the December meeting
Keep up the good work!**

New Lady Riders

**Deidre Sprinkle
Lynn Nicholson**

**Have taken the course and received their Certificates to drive.
Now we have three Lady riders. Robin Deane has her own trike.**

Congratulations

We are doing the Ride Coordinator of the Month again this year.
Below are the months that have been signed up for.

July = Don Pennington
Aug = Steve & Robin Deane
Sept = Sonny & Betty Dye
Oct = Gerry & Peggy Grotberg

Be sure to follow these guidelines:

Choose one or two main rides for the month

Choose the third Friday night dinner ride

If possible include a local GWRRA event

Include at least one Chapter visitation

Publish the ride schedule to the chapter two (2) months prior to your month.

- When planning your rides, check **the District Event calendar** so our members can also attend the District events and help support other chapters like they support your chapter.

The key is to get the ride schedule out as soon as possible to ensure a good turnout!
As soon as you get your ride schedule together, send it to Bernie & Dottie and they will go ahead and publish it in the newsletter so everyone can make plans to attend ahead of time. This is Your chapter so lets get out and get back to Riding Together as a chapter.

Wings Over the Smokies

There will be two new buildings this year.
 Everything in the Davis Arena will be moved to the larger new building.
 The other smaller building is designed for classes, kitchen, rest-rooms.
 We will not be using Davis Arena, or the McGough Building.
 Pre-registration, Registration, and Day Passes will
 be done a little different. Dennis & Kathy are
 trying to determine the best way to arrange all the
 functions, using the two new buildings.

JULY 18th, 2009
2nd Annual Hospice “RIDE FOR ANGELS”

“Ride for Angels” Heads to Denton FarmPark

Save the date! Hospice of Davidson County will hold the second annual, “Ride for Angels” on Saturday, July 18. (Rain date for the motorcycle fundraiser will be Sunday, July 19.) Due to the anticipated number of participants expected, the event has been moved to the Denton FarmPark. This year’s fundraiser

has also expanded to offer a variety of entertainment as well as on-site food and gift vendors.

Save \$5.00 by pre-registering prior to the ride. Registration will also be held from 8:30 – 10:30 am the morning of the ride. The rider pre-registration fee is \$15/bike and includes a hot dog lunch. Registration the day of the ride is \$20. Non-riders have the option to purchase a day pass at the gates for \$10.00.

Registration and tee shirt order forms are available on-line at: www.hospiceofdavidson.com and www.davidson-countyhappenings.com. A special thank you to our returning sponsors: GWRRA-NC, Lexington Style Wings and davidsoncountyhappenings.com.
