Ride For Angels a Success!

Well, it's not official yet but I can tell you from what we saw at the 2nd Annual Ride For Angels it was a big success. Nearly 200 motorcycles took a scenic tour around Davidson County and wound up back at the Denton Farm Park for a hot dog lunch with all the trimmings. There were live bands, vendors, good food and great weather. What else could you ask for! The folks from the Davidson County Hospice did another great job this year and we look forward to next year.

I also want to thank all the A2 folks that helped out at the event. We provided a lot of needed man-power and I know it was greatly appreciated.

In just a few weeks we'll be heading to the mountains to attend Wings Over the Smokies. If you have not registered for the rally, go to the District web site to get your form. I've given out all the ones I have. I'll try to round up a few more.

Remember, to work the rally you must be fully registered. Also, if you have not gotten your hotel reservations, get that lined up. I've ordered the worker shirts and will give them out at the rally. Different folks will be leaving at different times to go up to the rally. I'll be leaving on Wednesday, the 23rd. If anyone wants to join me just let me know. Until next time,
Randy D.

August, 2009

The following chapters helped support Davidson County Hospice in this years event:
Chapter A2 Lexington, Chapter T2 Albemarle, Chapter G High Point, Chapter R Thomasville,
Chapter L2 Mooresville, Chapter W2 Jefferson, Chapter B2 Winston-Salem, Chapter N Burlington and Chapter S2
Sanford. .

District Staff Members that attended were: Dennis & Kathy Hull, Tom & Terri Pennoni, Roger & Brenda Hatley, Janice
Barker, Joel& Mary Beth Roach and Bernie & Dottie Motley.

Thank You ALL that attended, your efforts and support are Greatly appreciated by HOSPICE & Chapter A2.

Where Do Your Contributions Go?

By Lisa Pierce, CPA - Chief Financial Officer / Hospice of Davidson County

As the Chief Financial Officer for Hospice of Davidson County, I often get asked questions about the cost of our services, how they are paid for and where exactly contributions go. To help our supporters better understand how we bill for services and manage costs, I'll address a few of the most commonly asked questions.

Q: Is my contribution tax deductible?

A: Yes. Hospice of Davidson County (HODC) is a 501(c)(3), Not-for-Profit agency and all donations are tax-deductible.

Q: How does HODC get paid for the services they offer?

A: HODC does not turn anyone away due to inability to pay. If a patient has Medicare, Medicaid or private insurance, in

most cases HODC can bill these third parties directly. For our patients without any form of insurance or the ability to pay –

we are able to provide our services due to the financial support of our community and the funds raised at annual events

such as our annual **“Ride for Angles” bike ride**, summer golf

tournament and the August Gala. This year we also plan to offer our first annual Christmas ornament sale.

Q: Do we receive financial support from United Way?

A: Yes. We are a United Way agency that applies for funding each year. We also apply for grants when we qualify.

Q: If I make a donation or attend a fund raiser, how are the funds used?

A: All monies donated or raised on our behalf go directly to our patients, their families and to the programs and services

provided by our agency. Some of these include: Hospice Home Care – which enables terminally ill patients to stay at home and still receive quality care. Hospice pays for medications related to the hospice diagnosis, medical equipment and supplies.

Hinkle Hospice House - offering a home-like setting where hospice care can be provided when a situation arises that

prohibits a patient from staying at home.

Bereavement – counseling services, bereavement programs and support groups that assist families through the grieving process.

Indigent Care – with our declining economy, more and more families have suffered job losses and consequently the loss

of insurance coverage. Each year more patients are in need of hospice care but do not have the means to pay for it. Due to your gracious support, everyone can receive hospice care regardless of their ability to pay.

If you have additional questions regarding your donations or our billing practices, please contact Lisa Pierce at 474-2062

or via email at lpierce@hospiceofdavidson.org.

Thank You Gold Wingers, You DO make a Difference

RIDER EDUCATION

Gerry Grotberg

Protective Gear

I was directing traffic at the ride for angels when I started watching the riders as they came in and was looking at the way they were dressed. I would never tell anyone how to dress when riding, that is a choice you have to make, and I spent a great part of my life defending your right to choose. However, being the chapter educator and a safety geek, I do have to tell you what I think. You can use the information as you see fit.

I saw people coming into the park and going on the ride in such a wide variety of attire that it would be impossible to mention them all, but here are a few. I saw people on many brands of bikes not wearing helmets as they came into the parking area. Though this was completely legal because we were on private property, was it safe????

I also saw tank tops and shorts of various types being worn, along with a variety of flimsy foot ware. I can only assume they have never experienced a close encounter of the asphalt kind.

The MSF has determined that proper riding gear consists of Six items. They are:

- 1) A DOT approved helmet to protect your head and brain from injury.**
- 2) Eye protection such as a face shield or goggles to protect your eyes from wind and debris.**
- 3) Full fingered gloves to increase grip, reduce fatigue, and protect your hands from the elements.**
You can also ask Bill Plyler how they work while sliding down the highway at 50 plus miles an hour
- 4) A long sleeved shirt to protect you from the sun and to provide some protection in a fall.**
I would also recommend a long sleeved jacket with armor to provide maximum protection.

Yes I know, I can hear some of you saying that that would be too hot in the summer time. You are right, when it gets above 90 degrees the vented jacket does become a little uncomfortable, but it will sure help protect you from road rash and broken bones.

5) Long pants are the fifth component of this protective gear we have discussed. They protect you from the sun, heat from the bike, things kicked up by the front tire and that close encounter thing we discussed earlier.

6) Last but not least, above the ankle boots will protect you from the heat of the bike and I can profess to their usefulness in protecting you from major injury, just ask me some time.

Ok I will get off my soap box because for most of you, I am preaching to the choir. This is for the few of you who believe that a close encounter of the asphalt kind only happens to others. All I can say is, I hope that continues to work for you.

As always, ride safe!

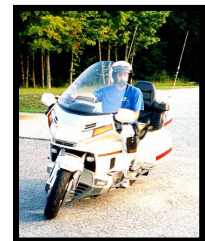

The Tech Guy

Tim Pennington

A writer on the GWRRA Tech Message Board shared a problem he experienced with his bike. After he checked several things to no avail, he discovered that his battery had "expired". Stu Oltman responded to this fellows problem stating that

this was a perfect example of the Battery Bug alerting him of the impending dome of his battery. Stu wrote a Product Report on the Battery Bug in the last issue of Wing World.

I am sure everyone has already read this report, if not take a moment to check it out. The price of \$49.95 seems reasonable considering that the "Bug" monitors six functions.

Chapter A2 COUPLE OF THE YEAR

Bill & Deidre Sprinkle

Greetings from your Chapter Couple,

August has arrived with the anticipation of the Couple's Cookout and the Central Couple's Golf Tournament. Bill and I were busy in July attending Chapter R, Thomasville's open house and helping with the hospice ride which appeared to be very successful. We also went to Chapter T2's meeting in Albemarle to congratulate Carolyn and Allen Little for their becoming the International couple.

Bill and I are looking forward to attending the Couple's Picnic. We have heard so much about it and what a good time everyone has. August 22nd is our Golf Tournament. Since we have so many excellent cooks, we are asking our chapter to make desserts. Please see Dottie Motley or Ruby Pennington if you can furnish a dessert. I will have a volunteer sign up sheet at the meeting and we will need volunteers at the golf course by 10:30 am on the day of the tournament to help set up and serve lunch. I just want to again thank each and everyone of you for your continual support of this project. We are going to meet our goal, but we could not do it without your help. Again, many thanks.

Please do not forget your canned goods. The senior pantry project has gone well this year and they are very appreciative of the Chapter's support.

Please mark August 13th on your calendar and plan to be at Chapter A, Greensboro meeting. Chapter A will be presenting their proceeds from their yard sale and the Walmart Grant to a representative from Horizons. They eat @ 6:30 meet @ 7:30 At Captain Bills, 6108 West Market Street (Route 421), Greensboro.

Until next month, safe riding, Bill and Deidre.

A Big Thank You to Greensboro for their contribution of over \$1,225.00 to Christine's Wheelchair, & Walmart donated \$1000.00.

Christine is a resident of Horizens Residential Home Care in Rural Hall

Congratulations
Lynn and Cathy Nicks
Married July 19th

In Remembrance

Bernie's Stepfather Edward "Bud" Jolly passed away
On July 3rd. He had cancer, but had only been sick 4 to 5 weeks.

Thank you for all your thoughts, prayers, cards, and visits. The plant was beautiful, too. We would be so lost without our Goldwing family, especially A2.

The golf tournament on August 22 is to raise \$\$\$ for Christine. Different chapters are doing food. A2 needs your help to bake desserts. If you can help, please let Ruby know. We need pound cakes, cup cakes, brownies, cookies, & baggies. Thanks so much.

Hospice of Davidson County welcomes new volunteers Lynn Nicholson, Donna Yarbrough, Thom Gill, Carol Sluder, Paula Cain, Sandi Maxwell, Sue Styers, and Karen Lawing to the Hospice volunteer family.

THANK YOU

We had 24 A2 members come and work the hospice fundraiser.
This is wonderful.
The hospice fundraiser was a great success.

We had great success with our Care Bear ride.
Thanks for all the stuffed animals you brought.

September 24 - 26th	Wings over the Smokies Fletcher, NC		TBA

A word about Wings Over the Smokies 2009

There will be two new buildings this year. The buildings are down in the area close to the vendors. Everything in the Davis Arena will be moved to the larger new building. Also, pre-registration, On-site registration, and day passes will be in the larger new building. A2 will handle pre-registration as always. Registration (District) and day passes (B2, and others) will be in the same area. The other new smaller building is designed for classes, pizza, ice-cream social. Both buildings have restrooms and air conditioned.

Davis Arena will not be used with the exception of the restaurant, and the McGough Building will only be used on Saturday for closing ceremonies. We will not have a formal "Opening Ceremony" this year. Bikers will park in the top parking lot as always, and walk down the hill, and enter the new large metal building to pick up their packets before entering the vendor area.. We will have the District Couple of the Year Announcement at the Friday night entertainment. Dennis and Kathy are working very hard to determine the best way to use these two new buildings. The parking lot adjacent to McGough will be closed to parking and used for Drill Team performance, Trike Course and On-bike games.

We think it will really be less tiring, and more organized to have everything we can down near the vendors and everything closer together. The couples competition will be onsite this year in the new log building .

We think it's going to be a great time at Wing Over the Smokies so get your registrations in soon.

Pre-Registration cut off is 9/12/2009 and all workers must be Fully registered to work the rally.

New Registration Building (Expo Building)
Every thing that was in the Davis arena will be in this building

New Log Building : "The Heritage Exhibits Building"
Classes , Pizza Party, Ice Cream Social and couples competition.

We are soooooo excited
