The titles Louis and Charles in French History originated with these two sons [of Charlemagne]. In Tom Weston's History of France it is stated that Pepin, Charles, and Louis were the grandsons of Charlemagne through his son Louis the Pious, but I think this is an error and all other histories consulted give them as sons.

All Pepins and Pippins and Pippens in Canada and America were descended from these three sons. Those in America using the French spelling of Pepin were late comers by way of Canada. The English spelling crowd are descendants of the 17th Century emigrants. It would be a costly task to authentically connect these lines with Charlemagne but family tradition and historical data make it too circumstantially strong to be reasonably denied.

Coats of Arms

Collateral Families Into Which Early Amer. Pippens Married

Fairbairn's Crests, Amer. Edition, 1911 by P.J. Lang Page 28, Crest #9 –Description of Coat of Arms: "A pegasus, current, wings addorsed, ar., (charged on shoulder with a cross avellane) Vert."

Addison: "A unicorn's head, erased (transpierced by an arrow in bend) sinister, guttee." Plate 67, Crest #1. Fairbairn's Crests, Amer. Edit. 1911. Lange. This family is recorded in historical documents of Virginia. The Volumes on Selden family carry it as a collateral family. The last known Addison Pippen was Edgar Addison of Greene Co., Ala., who died in 1915 and was buried at Clinton, Ala. Uncle of Rev. W.W. Pippen, Jr.

Banister: "An arm, in armour couped, in fess, hand grasping a scimitar, ar., in pale enfiled with a boar's head couped ppr." Page 10, Crest #15, (Head on Plate #48, Crest #2. Fairbairn's as above. This family has a long and honored record in Virginia. The D.A.R. chapter at Petersburg, Va. being named for John Banister. There were two Banister Pippens; one died in summer of 1781 as a soldier in American Rev. Army. (War Dept. Records) The other was born in Edgecombe Co., N.C. and in 1824 migrated to Greene Co., Ala., where he lived, died, and was buried in a plantation cemetery.

Littleberry: "A lion's paw, per fess, gu. and az. holding a spear, sa., point ar.," Plate #1, Crest #4. Fairbairn's as above. The earliest record of this family is in Surry Co., Va., where the name of Robt. Littleberry is listed among military eligibles. The male end of this family has long been extinct, but the name is preserved by the marriage of the females, and the later records of Virginia show such names as: Littleberry Cocke, Littleberry Harrison, Littleberry Ligon, Littleberry Hardeman, Littleberry Royster, Littleberry Mosby, Littleberry Epes, Littleberry Royall, Littleberry Carrington, Littleberry Mason, Littleberry Harwood, Littleberry Wilkinson, Littleberry Richardson. Colonel Francis Epes married Elizabeth Littleberry prior to 1681-82. Capt. Jos. Royall married his daughter, Mary. Colonel Littleberry married Rebecca Hubard Cocke.

There was a Littleberry Pippen of Edgecombe Co., N.C. who migrated to Greene Co., Ala. in 1824 and later moved to Mobile, Ala. There were two later Littleberry Pippens of Greene Co., Ala. who were 1st cousins and nephews of the first Littleberry. These names of Addison, Banister and Littleberry came into the Pippen line through marriages, the Pippens having spent the 1st one hundred years of their life in America in Virginia, later migrating, some to Maryland and others to N.C., and even later some coming back to Southwest Va., where there are Pippens in 1939.

Memorandum: Richmond Times Dispatch, June 27, 1939. Henry Pippen pitched a good game of ball in Philadelphia yesterday against Yankees of N.Y. City.

Obituary of Walter W. Pippen, Sr.

”W. W. P. Sr. Gr. gr. f. d. 5/ 7/ 34”

On May 7th at his residence in Greene County, Ala. Walter W. Pippen, Sr. died after a brief illness in the seventy sixth year of his age.

The deceased was a lifelong resident of the estate founded by his forefathers in the early settlement of Alabama. Year after year he farmed with success, and remarkable concentration on his calling illustrating signally that ”blessed is the man who has found his work.”

Mr. Pippen embodied the traits of his pioneer ancestors in his strength and decision of character, his fund of anecdote and humor. He had until recent years taken great interest in community matters and was for eight years one of the board of county commissioners. In his plantation affairs he was actively engaged to the last in the spirit of a favorite hymn, ”Labor on till the close of day.” He was an alumnus of Howard College, having attended that institution when it was located at Marion, Ala. He was an elder in the Presbyterian church of Clinton, and upon its closing some years ago, he was made an elder in the Eutaw church. His home was long open to ministers for stays of indefinite length after the old southern customs. It was still home, too, to members of his family, who returned from time to time to the parental roofree, and who recognize their debt to the patriarch of that home.

His wife, Anna Cooke Pippen, answered the summons two years prior to his own. They are survived by four sons, Claude and Walter W. Pippen, Jr. of Eutaw, W.H. Pippen of Los Angeles and John E. Pippen of Columbus, Miss; two daughters, Mrs. M.T. Simmons and Mrs. S.W.H. Williams of Greensboro, Ala.; by eight grandchildren and three great grandchildren. Interment was in Clinton cemetery.

Pippen, Jr., was in Mobile in 1913 and called on Mrs. Conning, then in her eighties. She lived several years longer in the home where she was once wealthy and at the top of Mobile society. Mr. Walter W. Pippin
Petersburg, Va.

Dear Mr. Pippin:

This is in answer to your valuable letter of April 27, 1939. I have neglected answering on account I could not give you part of the desired information you wished. I will give you part of it now. Pippin family relations only. My father Byrd Pippin came to Illinois at the close of the Civil war 1866. He was a confederate soldier under Gen. Longstreet, overseer of negros in La. when the war broke out.

His brother Logan Pippin came to Illinois in 1862 from Double Springs Tenn. Where he and father were born. Their fathers name was Kinch Pippin. My grandmother's name was Finn before marriage. I never saw them. Father left home when he was a boy. His mother died when he was very small. His father remarried, I never learned to whom. I have heard my father often speak of Grand-father Pippins two brothers, Woodfold and Howell Pippin. As to Dr. B. I. Pippin of Detroit, my son tells me he has met him in Chicago, but I do not know him.

I am trying to get in touch with some of my cousins as to Uncle Logan and their families. When I do I will send all I can get to you. My father has been dead almost 35 years and I have a poor way of finding out anything in regard to the older ones. I met Estes and Wm. Pippin in Double Springs, Tenn. in 1929. My mother was born and raised in Illinois. Her maiden name was Mary Kilbroun. She has been dead 65 years. My father Byrd Pippin was born in Double Springs, Tenn. I think in Dec. 16, 1844 and died in Hidalgo, Ill. 1903. He had

Gilford Pippins - Kentucky

Data from D. A. R. Library, Constitution Hall, Washington, D. C. From History of Johnson, Hassac, Pope and Hardin Counties, Ill., at Page 254:

Gilford Pippins, Veteran of Civil War, Co. I 29th Ill. Infantry, was born in Marshall Co., Ky. in 1843. His father was Gilford Pippins, Sr., a lifelong resident of the state of Ky. The father married Sarah Moseley in Ky. and died in the prime of life. His widow moved with her family to Union County, Ill., where they resided for ten years. The family then moved to the above counties in Ill., where she died and is buried.

Gilford Pippins, Jr. lived near Vienna, Ill., where he married, first in 1864, Martha Clymer, daughter of Jno. C. and Sara Shires Clymer. Maryland Pippins

Data on Maryland Pippens from County Seats of Elkton and Chestertown

October 17, 1939

My dear Mrs. Denson: -I went to the Courthouse today to make your search. There are no Pippin wills.

I found the enclosed in the original papers filed in the top of the office of the Register of Wills. Cecil county administration accounts I regret to say are not in good shape. We have three sets of books, which do not tally with the index, and distributions are almost impossible to find. About fifteen years ago I classified a quantity of old papers in the office of the Register of Wills and I knew it was probable that I might find a Distribution which named the children of the Testator. I should say possible not probable.

After locating these names on the Index I asked for the original papers which are not indexed, of course and was indeed gratified to find these two. There are a new Cecil county wills recorded in Annapolis instead of Elkton, so I turned to Magruder's Colonial Abstracts of Wills hoping to find a Pippin will, but none were listed. -Next I tried Cecil County Signers of the Oath of Allegiance thinking I might find some of the family, but the name was not there. I think I have the only copy of Cecil County Signers of the Oath of Allegiance in this State.-Johnston's History of Cecil County does not give any help. From what I found I am supposing that John and Wm. Pippin were sons of Matthias, and that Ann James was a sister of John and William. You will note the date of Adm. Accounts of Matthias Pippin's Est is 1763 and not 1765 as you have it.-Should you be willing to have me spend more time on the Am. Accts I can do so. I have given you a long three hours and a half but you know how it is. We get into a search and cannot stop at a given time.-Thank you very much for your commission, and if I can do anything else I will be glad to do so.-

Very sincerely yours, Mollie Howard Ash

II. The John Pipen who left a will in Queen Anne's County in 1765 is not the same as the John Pippen of Cecil County who left an account in 1765. The reason we have for assuming that they were two people is that John Pipen of Queen Anne's County left his wife, Rebecca, his executrix, while John Pippen of Cecil County did not leave a will and Chas. James was appointed his administrator.

III. Cecil and Caroline Counties were never connected. Caroline County was taken from Queen Anne's County.

IV. Cecil and Queen Anne's Counties were never one. Queen Anne's County was taken from Kent and Talbot Counties.

V. Marydel is on the border between Maryland and Delaware. It is in Caroline County in Maryland in Kent County in Delaware.

Data on Maryland Pippins, Furnished by Ann G. Pippin, Chestertown, Md.

Mar. 14, 1940

My dear Mr. Phippen:

Long weeks ago my brother Paul forwarded your letter to me, asking that I answer it for him. He felt as I was in our town could gather more information than he so after much delay and thumbing thru numerous old records I can give you an item or two regarding the Pippins in our part of Maryland.

In answer to your questions:

I. Roger Pippin, the Sports-Editor is known to us only Through the newspapers.

II. The Pippins of Maryland are not known to us at all.

III. Our forbears are buried in Chestertown, Kent Co., Md. And on the Pippin Farm, three miles outside of Chestertown.

IV. In so far as we know, not related to Queen Anne Co. Pippins

V. My father, Walter Romlinson Pippin died six years ago, leaving our mother, Walter Kemp Pippin, eldest, Robt. Comegys, second son, myself, the third child, and Paul, the youngest.

Understand Pippins are mentioned in early Queen Anne County history. Hope to search their records before long and will forward my findings to you.

Regretting the long time it has taken me to answer your note to Paul and with cordial good wishes, I am,

—
Most sincerely, Ann G. Pippin

Letter from Dru L. Pippin

B.N. Pippin, Pres. D.L. Pippin, V-Pres-G. Mgr Mrs. D.L. Pippin Sec-Treas
PIPPIN PLACE
Waynesville, Missouri
May 3, 1941

Dear Mr. Pippin:

I have read with a lot of interest your recent letter concerning the Pippin family. I am pleased to give you what information I have concerning our family, meager as it is. William Pippin (My grandfather) had 2 brothers -Nathan and Apple White. Came from Alabama. Married a Tilley. William settled in 5 miles S.W. of Waynesville. Nathan settled in Hickory and Dallas Counties Missouri and a large number of Pippins are in these counties near Buffalo, Mo. and Urbana, Mo. My Grandfather William had seven sons and 4 daughters of which 2 sons and 2 daughters still live.

Robert died before maturity. George raised a family at Richland, Mo. Has three sons living in California at Modesto and Los Angeles.

Jasper recently died in California, had a large family but I know little of them. Joad, last heard of 20 years ago at Jeauuo, Alaska. Jeff, recently died in Kansas. Had one son and one daughter. Charlie, one son and three daughters. Lives in Oklahoma not far from Gainesville, Tex.

Bland Nixon Pippin, born October, 1874, 5 miles S.W. from Waynesville, Mo., who is my father, attended the University of Missouri in '97 and then attended Washington University Dental School and graduated from there in 1900, started in with them as part time laboratory instructor and has been connected with the school ever since in a part time capacity. For the past 20 years has been Prof. of Operative Dentistry and head of the Clinic. During this time he has also been in private practice in St. Louis, Mo. and still is. My mother was Nancy Vaughan and I was born in April 1899 3 miles S.W. from Waynesville, Mo. I have one sister, Lauramae, a graduate of Washington University of St. Louis and a masters of Columbia N.Y. in Home Economics and now connected with the home economics Dept of Phil Gas Co. at Boundbrook, N.J.

I graduated from the University of Missouri with a B.S. in Agr. in 1922, was County Agr. Agent for five years, married Eva Luther from Burns Tennessee and moved to this place. In 1932 I was asked to associate myself with the Federal Land Bank of St. Louis as an appraiser, next being made a supervisor and now being an Assistant Manager of the Association Service Division for Missouri. I have one son Dan Luther and one daughter Nancy Lu. Dan will be 15 years old in October of this year and Nancy was 13 last February. I was made a Master Farmer in 1929 by representatives of the Agricultural papers and am now listed in "RUS" the register of Rural Leadership. Self praise is no recommendation but since I started to outline my family thought it best to tell it all. The only Pippins listed in the telephone directory in St. Louis are as follows:

Bland N. Pippin, 8806 Kingsbury;
Clarence C. Pippin, 105 N. 14th;
Mrs. Elizabeth Pippin, Granite City, Ill.

For years my father was the only Pippin the telephone directory so I cannot account for a Dr. Louis Pippin being in the St. Louis without being listed in the directory or my father not knowing him. I have heard my father speak of the Dr. B.L. Pippin of Detroit but they have never met.

An interesting thing happened last week when I rec'd a copy of the American Field. I noticed another Pippin, Rush Pippin, Pawhuska, Okla., listed as having registered an English Setter dog. Clipping attached. I talked to my father over long distance last night. He had planned to come out from the city this week, especially wanted to meet Ray Pippin but when I told him he was home on vacation, he deferred his trip until a later date. Ray Pippin told me that you had a copy of the Pippin Coat of Arms. I would like to see this or a sketch if convenient for you to send it. I am sending under separate cover the booklets you wanted and am enclosing herewith some postal cards which were taken since the booklet was printed. I have a cousin Grace Wislon of Modesto California who gathered a lot of information on her grandmother Tilley and Grandfather Pippin some years ago, when she went into the DAR so if you would write her she might add something to our data.

Sincerely yours, (s) Dru L. Pippin

The specified boyd of this estate appears to have been estimated at about thirty thousand dollars. The residuary estate at the time of testators death was to have been divided equally between the twelve children. No estimated value is indicated for that in the will.

The Testator, Joseph John Pippen, was a son of Ensign Joseph Pippen of The American Revolution. Ensign Pippen was born in Talbott County, Md. in 1752. His father, Matthias Pippin, was living and died in 1763 in Cecil Co., Md. of which Elkton is the County seat. The Will of Matthias is of record in Elkton and at Annapolis. Joseph of the death of his father went to live in Edgecombe Co., N.C. probably with an uncle, who may have been Solomon Pippen, Sr., named in these papers, and who appears to have once lived in Queen Anne Co., Md. Ensign Joseph was married twice but all of his children were by the first marriage. His second wife was a Miss Lee, was a relative of Gen. Robt. E. Lee. He was in the Battle of Kings Mountain, N.C. and died in 1833 in Edgecombe Co., where he was buried. Thus he was eighty one years.

By a digest of records in hand, it is well established that the Pippens of Maryland, Virginia, and North Carolina were all of the same original Pippen Brothers –Two– who settled in 1635-1639 in Northumberland and Northampton Counties, Va. In Virginia, these early Pippens lived in the two counties named above and also in Gloucester, York, and Warwick Cos. Va. It appears that they migrated first, into Maryland and thence to North Carolina, all having left Virginia by 1790 except the Gloucester branch, which went to Baltimore in 1870. The Pippens in 1924 in Georgia, Ala., Tenn. and parts of Texas as well Michigan and Illinois are of this stock. In 1941 there are Pippens of this stock in North Carolina at Bunn, Zebulon, Hamilton, Fremont and Littleton. The widow of the late Jno. W. Pippen of Washington, N.C. is living there now. He was a banker of that city, who died a few years ago.

12.3 Naval Service in American Revolution

May 29, 1939

Dear Sir:

Your letter of April 15th, addressed to the Bureau of Navigation, has been forwarded to this office for reply as to the naval service of men named Papin, Pepin, Peppin, Pipen, Pippin, and Pippin in the American Revolution. It is regretted that we have been unable to identify anyone of this name (various spellings) as having served as an officer in the Continental Navy or Marine Corps, or as the commander of a privateer during the Revolutionary War. As you know, the Navy of the Revolution consisted of many elements, including the Continental Navy under the jurisdiction of the Continental Congress, small fleets under the command of the Army, several state Navies authorized and supported by the individual States, and privateers commissioned both by the Continental Congress and by some of the States. We have comparatively little manuscript material concerning any of these branches and are dependent largely upon printed sources for data concerning them. To our knowledge, there has never been anything resembling a complete alphabetical list of the men who had naval service during the Revolution, and in order for us to make a search of the material that we have, it is necessary to have the full name of a man and some indication of the type of his service. A general search of the type that you request is beyond the limited clerical force of this office.

However, assuming from your Virginia Address that the Pippin family may have been connected with Virginia, we have consulted our two best sources of reference on Virginia in the Revolution, "Revolutionary War Records - Virginia" by Gaius Marcus Brumbaugh, and "History of the Virginia Navy of the Revolution" by Robert A. Stewart and find in them references to two men of this family name having naval service. All the data on them are given below:

Bannister Pippin, Virginia State Navy, seaman on the HENRY galley, prior to April 8, 1778. Died in service about midsummer 1781. Land Bounty Warrant No. 4657 granted for service of Bannister Pippin to William Bigger, Assee. (Assessee?)

William Pippin, Virginia State Navy, seaman on the HENRY galley, prior to April 8, 1778. One of those entitled to bounty land for three years service. With reference to service in the United States Navy beginning 1797 the records of this Office show that a Ferdinand Pepin, born in Pennsylvania, date unknown, a resident of the Florida territory, was appointed an Acting Midshipman in the U. S. Navy on April 13, 1832; warranted Midshipman on January 21, 1835 to date from his original appointment; warranted Passed Midshipman on June 28, 1838 to rank from June 23, 1838, and died on October 28, 1838.

Midshipman Pepin on May 14, 1832 was ordered to duty in connection with the survey of Narragansett Bay, and on October 19 was granted permission to attend the Naval School at Brooklyn, N. Y. On May 1, 1833, he was ordered to the Ship-of-the-Line DELAWARE, reporting on board July 15 and remaining on board until October 24, 1835, when he was detached and went to the U. S. S. JOHN ADAMS. We was detached from the JOHN ADAMS on May 14, 1836, going to the U. S. S. CONSTITUTION, from which

he was transferred to the U. S. S. POTOMAC on August 23, 1836. All of these vessels were attached to the Mediterranean Squadron. On March 8, 1837, Midshipman Pepin was detached from the Frigate POTOMAC and granted three months leave. Following this he attended the Naval School at New York and on May 3, 1838 was ordered to the U. S. S. CYAN_. On June 12, 1838, he was order to report to duty to Lt. J. F. McLaughlin, commanding the naval forces cooperating with the Army in the Florida Expedition, and was apparently attached to the Schooner WAVE.

There are no alphabetical lists of enlisted men in the U. S. Navy prior to 1842, and as the principal sources of information on this subject are the muster and pay rolls of vessels, it is necessary for us to have a man's full name, and some clue as to the name of the ship or station on which he served and the approximate date, in order to make an adequate search.

Very truly yours,
D. W. Knox Captain, U. S. N. (Ret),
Officer-in-Charge.

Petersburg, Va.

Dear Mr. Pippen:

My grandfather, Wm. C. "Bill" Pippne, who died in 1918, and his twin brother, Jack, came to Temple, Texas sometime after Civil War from somewhere in Missouri. There ought to be Pippens there now.

My father's name is Charley and he is seventy years old. My age is forty-two. Father had three brothers, Neal, Jack and Will.

Judge C.A. Pippen of Dallas, Texas is my father's first cousin.

Yours truly,

Signed... Jesse Luke Pippen.

Judge C.A. Pippin of Dallas had several brothers, who live there too. They are lawyers I think. There was a Judge W.H. Pippen in Dallas about 1909. He may be dead. Don't know whether he was of this family or not.

COMMONWEALTH OF VIRGINIA
COUNTY OF GLOUCESTER
Gloucester
March 29, 1939

Mr. W.W. Pippen, Jr.
8 Centre Hill Court
Petersburg, Va.

Dear Sir:

Acknowledging yours of March 27th. On Examining the Muster Rolls of Gloucester County 1861-65, I find thereon the name of E.A. Pippin, 2 nd Sergeant, Co. "D", 24 th Virginia Cavalry. There are no Pippins listed in the Muster Rolls of the World War. I find in the old Marriage Register that Edward A. Pippen, widower, married Mary Graham Hall, December 21, 1865, age 38, that he was a son of Edward H. and Annie C. Pippen.

I find in Deed Book No. 15, page 40, reference made to Edward A. Pippen as guardian of his children, Charles E., Willy [V?], and Jeff D. Pippen, by his first wife, Martha E. Vaughan.

There is no one by the name of Pippin living in Gloucester County.

Yours very truly,

Signed... B.B. Roane, Clerk

Mr. W.W. Pippens

Dear Mr. Pippens: -

In reply to your card of April 1st., Re: name Pepin or Peppin, I have examined the record in this office but do not find any record of the name requested. The records which I have examined are from 1750 up to the present time.

Records of this county prior to 1750 are in the State Library, Richmond, Va.,

Yours truly,

CIRCUIT COURT OF RUSSELL COUNTY

Lebanon, Virginia

April 11, 1939

Mr. W.W. Pippin, Jr.,
Petersburg, Va.

Dear Sir:

I am enclosing a list of wills, marriage licenses, etc., of Pippins found in our records. There are also on record here approximately 100 deeds to or from Pippins. We have Court order books dating from 1786 which probably have references to Pippins, but these books are not indexed, and it would be an almost endless task to find the items.

There are some Pippins living in this county now, among them being K. A. Pippin, Hansonville, Va. I believe he also has some brothers, but I do not know their names or addresses.

Should you wish copies of any of these documents, we can furnish them for about 50[cents] per type-written page.

Yours very truly,

Signed: Grady Jeasse, Deputy Clerk.

N.B. It is known that Wm. Carroll Pippin of Hickory and Pulaski Counties, Mo. was in the CSA. As we find no Pippins listed in CSA from Missouri, we are sure that the above William C. was this man. It is also

quite probable that several others of the above soldiers were from Missouri. – It is believed that there were very few – if any – Pippins in Texas prior to 1865.

We also believe that some of the Pippins in Ala. exhibit may have been from Tenn. and vice versa. Also some of the Missouri Pippens may have enlisted in Tennessee - as they were so recently from the state, where they left close relatives behind. We have information to the effect that in Louisiana there were Pippins, who were descendants of Howell Pippin of North Carolina and later Tenn. and the La. soldiers may BOTH have been of this line.

City Point, Va., where Pippins of several states were released after having been captured by the Yankees, is situated on the James River about eight miles from Petersburg, Va., now incorporated in the city of Hopewell, Va. It is and always has been and always will be a strategic location in time of war. There are in 1941 several large industries there engaged in defense work for Govt. A Dupont powder plant was built there in LAST war days and Hopewell grew from that plant and is now quite a thriving town. However, that Dupont plant has been moved to within eight miles of Richmond, still on James River.

There are believed to be many Pippins in Texas in 1941, and in these papers we give records of such as we so far have.

Augustus M. Pippin of Greene Co., Ala. once owned land where Dallas, Tex. now is, but owing to water shortage he sold his farm and returned to Ala. His son, Dr. Willie Lee Pippin married and lived in Commerce, Tex. until his death BY AUTO in 1937. His married daughter and widow live there now. He was a D.D.S.

The CSA records do not show any Pippins from the border states of Md. and Missouri. In Kentucky there were Pippins in CSA and Union Army. This was probably true in Md. and Missouri. When we comb the records of the Union Army this will speak for itself. Whatever Pippins from Md. in the CSA probably enlisted in Va. and are included in the above. The state of Sou. Carolina shows no Pippins in CSA. There were Pippins in S.C. in 1790 (Fed. Census) They probably migrated further south before 1860. So far as is known there are no Pippins in S.C. in 1941.

In addition to the Va. enlistments we have discovered that there were twenty Pippins of record from the other states who fought in Virginia battles, making with these a total of forty seven. This ought to give all Pippins in America the privilege of trespassing on STAID Virginia soil without fear or favor, remembering also that the first Pippins in America settled in Northampton and Northumberland Counties, Va.

C. Warden Pippen, General Agent.

Charleston, West Virginia, 1929.

Dearest Cousin:

Yours of the 26th Instant received this morning and greatly appreciated. It was good to hear from you and of you after our brief correspondence of some time ago came to a close. I can't recall who was at fault, but I will assume all blame. No, I'm not in school this year, for I graduated from Randolph-Mason this past June..... My younger sister, Jean Ann, is in college this year more in your part of the country than this.(Ala.) She is attending Gulf Park College at Gulfport, Miss., and is enjoying it very much..... I want to ask you a question about our family. I happen to know that a man by the name of J.H. Pippen is the manager of the Cawthorn Hotel in Mobile, Ala. We were in Mobile for a day this past fall, but did not get in touch with the gentleman. Ever since mother and I have been wondering if he may be related to you or to me or to both of us. If you can give us any information about him it will relieve our curiosity and satisfy our interest. In college I majored in chemistry, but to date have found no opening in that line. We have many chemical plants here, in Xanawha Valley, but the laboratory work is so dangerous that women aren't allowed around..... Do write to me again and don't wait so long this next time. My family and I extend to you and Mrs. Pippen the very happiest of season's greetings.

My love, Gretchen.

She is a daughter of C. Warden Pippen, and they are descendants of the Gloucester Co., Va. Pippens, who went to Baltimore, Md. in 1870. Her sister, Jean Ann, is an A.B. graduate of Duke University, N.C. in 1937, the only Pippen ever to attend Duke University. We Hope to get later data on this family from Mr. C. Warden P.

March 27, 1939.

Dear Mr. Pippen:

Thank you so much for your very interesting letter about the Pippen family.... The Penders that married into the Pippen family.... is also a Virginia family. Mr. Dave Pender of Norfolk – owner of the chain stores, is a member of this family. So also was Gen'l Wm. Dorsey Pender, one of North Carolina's famous sons in the Confederate Army. This family came from Westmoreland Co., Va., I believe. Thank you so much for your mother's line. It looks like a marvelous family.

Sincerely yours, Edna G. Denson

She of the same name, but no known relation at the paternal side of the house. I am listing below all the Pippins in either the city or telephone directory here. My mother's maiden name was Addie Thomas and died in April 1896, when I was but three years old. My first wife's name was Mary Eliz. Hurlock of Millington, Md., of which marriage there are two children, 1. Wm. Edwin Pippin, age 21, Millington, Md.; 2. James Thomas Pippin, age 16, who is with me at Wilmington, Del. My first wife died in 1934, and my second wife was Doris Elizabeth James of Deal's Island, Md.

Yours very truly,

Signed... Solomon Thomas Pippin.

N.B. Solomon Pippin, son of John Pippin and wife Rebecca, was born in Queen Anne's Co., Md. and later migrated to Edgecombe Co., N.C., where he was the first Pippin, whose name appears in the N.C. land records about 1766. His father died in 1763. Solomon, known in N.C. as Solomon, Sr. is believed to have married in N.C. We do not know to whom he was married or how many children he had or when he died, but we find the name of Solomon Pippin, Jr. in N.C., and we believe he was this man's son. Solomon, Sr. is of record in N.C. as testifying before the State Legislature in 1777 against the Tories, who had approached him during the war. It is quite probable that some of his descendants returned to Md., and that the two Solomons referred to in the above letter are descendants of these N.C. Solomons.

Div. of John Phippen's land in 1807 in Edgecombe Co., N.C. same as land described in Will of Joseph Phippen, who d. in 1791. This Joseph, believed to have been a brother of Solomon, Sr. was the second Phippen of rec. in N.C. This Joseph took up land on Deep Creek in 1774. Ensign Joseph's land was on Coneto Creek. where he and his son, Jos. John Phippen were buried.

The records of Nash Co., N.C., Register of Deeds, Vol. 10, Pg. 219, show that on Jan. 7, 1802, one Isaac Pippin sold his land and presumably migrated to some other state. This Isaac is believed to be the great grandfather of C.M. Pippin, above, and referred to in one of his letters as Ike. Quote:

"They first settled in Jones County, Ga., due to my great grandfather being killed by a yoke of oxen in moving from North Carolina. This accident happened in Jones Co. and my grandfather settled there for a few years, after which time, he and his sisters and mother moved to Monroe Co., Ga."

He refers to this gr. grandfather as Ike. The children of Ike are given as:

Letter from Elizabeth Corbin Pippin

Glory Hill Farm, N.C.
Magnolia, N.C.
Jun. 30, 1941

Rev. W.W.P., Jr. Petersburg, Va.

Dear Mr. Pippin:

I have drawn off, very hastily, a line as far back as I can find. Herman's mother died when he was an infant and the housekeepers didn't realize the necessity of keeping records intact, and when I married into the family there was not much information beyond what I have written for you. None of the four boys, of whom my husband is one, take much stock in genealogy. – There are several interesting things about this family though. Mr. Epenetus Pippin was twice married to a Miss Sally Bardin of no known relationship to each other. One of their daughters married a Mr. Britton Scott & upon her death he married her sister. – Another dau. married Bob Blaylock and their two daughters, Glennie and Ada, in turn, married Allan Edgerton. I have never known that to happen in my family. – You will find enclosed a sketch of the line of Epenetus Guion Pippin. (See above)

My family is a little clearer to me than Herman's. On my paternal grandmother's side my ancestry goes back to Sir Francis Bacon. On my maternal side the families are Custis, which goes back to Martha Washington's 1st husband. Dunton and Willis and Boggs. In tracing my lineage for D.A.R. membership, I found that I could enter on either of four lines. If you are interested in Pippins I thought you would like to know whom they married. If you know anything more of interest about the Pippins let me know. –Yours very truly, –Elizabeth Corbin Pippin, (Mrs. Herman Lafayette).

N.B. Jno. W. Pippin of Wayne Co., N.C., probably a bro. of Epenetus Guion, was a CSA soldier and died at Guinea Station, Va. near where Stonewall Jackson was killed. See his record in these papers.

Letter from J.W. Pippin

Henryetta, Oklahoma
June 14, 1941

Mr. Dru L. Pippin
Waynesville, Missouri

Dear Mr. Pippin

Your letter of June 8 has been referred to me by my son, Rush Pippin of Pawhuska, Oklahoma. Not much knowledge is known of our family "tree", but I will tell you as much as has been "handed down" to me.

My great grandfather, whose name I do not know, emigrated to Tennessee during the middle of the seventeenth century. There he raised a large family consisting of seven boys and nine girls. I do not know the names of all of the children but I do remember Henry, Bill, one nicknamed "Red," and my grandfather, Lewis. My father, Richard, was born in Tennessee in 1838.

I am now 78 years old, and I do not know of any other Pippins who could give any of our family history, other than this. However, there is a large family of Pippins now living in Tennessee. It was to my knowledge that our family originated from England.

My father had two cousins who moved to Missouri. One of them came to visit in our home when I was ten years old. These brothers were associated in the fruit business. This family is known to have originated the "Missouri Pippin Apple."

This is about all I can give of our family tree. However, if there is anything else that you wish to know you may correspond directly with me.

J. W. Pippin, Box 963, Henryetta, Oklahoma.

Letter from Lydia Sheffield

Kaysworth, Utah
July 20, 1944

Mr. D. L. Pippin
Waynesville, Missouri

Dear Mr. Pippin,

I was in St. Louis visiting my son, who is employed by the Federal Bureau of Investigation, and saw your name in the telephone directory. I called the home of your parents, and had an interesting conversation with them on the history of the Pippin family. As I was leaving for home the next morning, I did not meet them personally. They suggested that I write you.

My grandmother was Sarah Pippin, born near Rawleigh No. Carolina May 28, 1812. She was the daughter of Loftis and Mary Hall Pippin. Their children were Robert Clark, Sarah, Martha, Noflet, Gideon, Mary, Rebecca, Elizabeth, and Nancy. All of these children were born in Franklin County, No. Carolina, except Nancy, who was born in Weekley County, Tennessee.

Sarah Pippin married Reuben Manning Jolly in No. Carolina and then moved to Tennessee.

I am interested in the history of my ancestors and have been on the lookout for someone belonging to the Pippin family. I have a letter from a Rev. Pippin in No. Carolina. There are none in Utah that I have been able to locate.

I am wondering if there is any way that I could get the information that you have including names and dates. I'd be happy to pay you all that it has cost you to get the history and would be glad to give you the dates pertaining to these names I have mentioned or any I might obtain in the future.

My son's name in St. Louis is Loftis J. Sheffield. My two oldest children live in Washington, D. C. and one boy has been in the Pacific War for a year. My youngest is in medicine. My husband is dead. I live twenty miles North of Salt Lake City and would be thrilled to see you or any members of your family, should you ever come this way.

Sincerely yours,
Lydia J. Sheffield

Robert -born June 7, 1879. Married Rilda Rector Nov. 12, 1906. Are parents of Lester, Johnny, George, Deona (now deceased), Delona, and Ethel Ann. He lives in Macon, Mo. about 25 miles from here. He can't see very well but is alert and likes to visit.

Thomas -born August 5, 1892 and died Dec. 9, 1962. He married Mary Burris and they were parents of Robert, Floyd, Lester, Orville, Edna, Chessie and Ruby. His wife and the boys are all deceased.

Mary -born March 25, 1886 -died Sept. 21, 1919. Married Charley Tate born Aug. 2, 1885 died Jan 17, 1920 -children Juanita -died 10 months - Denver -died about 1970 -and Thelma still living in Bevier, Mo. 20 miles from here, where her mother is buried.

Have been told Great-Grandfather Howell Pippin came to Mo. from Tenn. in the early 1840's. How they made a raft of logs to cross the Mississippi River and something happened and they almost drowned. There is no house now where they (Howell) first settled but the house where my father lived is still there but has been remodeled some. Its not too far from here. Wish I had lived back then.

Hope you can make out what I've tried to say. Will tell you more as I get new information. Am going to write to some of the McKennas and see if I can get a list of Aunt Ruth and Aunt Florence's children. Would like to have a booklet for the reunion next summer. My daughter in Georgia is a printing teacher and she could print me up some if I could get all the information together.

Wish I knew more about my Grandpa and Great-Grandpa's brothers and sisters. Maybe you can help.

Thanks a lot. -Mida Hanson

Dear Cousins:

Mr. Pippin I don't know if I should be sad because you were ill or glad because you had a successful operation. Anyway it must be good to be back among your friends and in your own bed. As Walter Hagen, the great golfer said, "Don't forget to smell the flowers."

I've enclosed some information to make your recovery days a little shorter.

1. Young Cemetery in Jackson Co. Tenn. This cemetery is on the old Young family farm which is about 10 miles northwest of Cookeville. It is about half the size of a football field. See [below] for the Pippins in this cemetery.

Chapter 32

Rev. Walter W. Pippen, Jr. to Dru Pippin

Letter 1: 1941-04-22

Petersburg, Va
April 22, 1941

Dear Mrs. Pippin:

A friend sent me one of your pamphlets advertising "Pippin Place" of the Ozarks, and I am very much interested in it & your family too.

I understand your husband's forbears were originally from my state, Ala., but I fear that is a mistake. I rather think they were from around Nashville or Cookeville, Tenn. At any rate prior to 1800 our forbears were from No. Carolina. There is a Dr. Walter J. Pippen of Elysian Fields, Tex., whose gr. father lived and was buried near my native house at Eutaw, Ala., but who was born in N.C. as was his brother, my gr. grandfather. Dr. Walter J. had a coz., the late Dr. Louis Pippen of St. Louis, who left one son. I wonder if he is your husband's father. Do write me in detail all that you know of your husband's forbears.

I have lived in Memphis, Johnson City, Chattanooga and Knoxville. I note you are a graduate of the Univ. of Tenn. I guess you are a Tenn. lady.

I know personally Mr. R.E. Pippin, whom you have recently met from Rolla, Mo. He is a good "tar-heel" & has a famous son age 14, a pianist. Do you know or know of Dr. B.J. Pippin of Detroit?

I want you to send me by return mail two dozen of those pamphlets about "Pippin Place". I want to mail them to cousins all over the south. If there is any charge enclose the bill.

For the past two years, I have been gathering data on the Pippen family in America. The first two brothers came from France and settled in Northumberland & Northampton counties, Va. in 1635 - 1639. All Pippens in Amer. are descendants of those brothers.

There are Pepins in Amer. especially in Mich. & New England states, whose forbears originally settled in Canada & they are our French stock, but not descendants of the two brothers mentioned. We are all descendants of Charlemagne thru his son Pepin, King of Italy. The two brothers above originally spelled their name Pepin. It so appears on the early records here in Va.

Judge Pippen of Dallas, Tex. has relatives somewhere in Mo. Do let me hear from you. There are Pippens at Jewell or Jewett Mo.

Sincerely,

(Rev.) W.W. Pippen Jr.

Letter 2: 1941-05-05

Petersburg Va.

May 15, 1941

Dear Dru:

Your letter came today and I have already relayed your order for the Coats of Arms. I thank you for the kind invitation to visit you and I may some day surprise you. As Ray will tell you I run open house to all Pippins & this means you too.

About the Pipkin family. A professional genealogist here told me he was sure that name ought to be Pippin. If so they are out of line and not us. On page 3 of the line of Ensign Joseph Phippen, you will see where Frank Phippen of N.C. mar. one Etta Pipkin of N.C. date not given. However, I do know the Pipkins were a prominent family in N.C. in 18th & 19th centuries.

This data does not include Ray's line or the line of Rex Phippen, Sr., of Dothau, Ala., which they are now compiling. Nor the complete line of Dr. Walter J. Phippen, age about 70, of Elysian Fields, Tex. He is getting that up for me. The late Dr. Louis Phippen, a 1st Coz. of Dr. Walter J. never lived in St. Louis as I wrote you. He lived & died in Ark. Dr. Walter J. studied medicine in St. Louis.

Now here is the "nigger in the woodpile". When you have this data copied, do so on legal size paper – larger than this – leave ample margin.

Letter 3: (Date Unknown)

Wednesday Afr.

Dear Dru:

Whenever I flush a new covey of Pippins it "burns me down" to pass the data along. Hence this letter so soon.

I am now enclosing a new line. I had to write three letters of inquiry before I got a response. Persistence is a virtue. Also I enclose a few of my wife's poems about our baby & a snapshot of her and the baby, which is not very clear.

As Judge C.A. Phippen of Dallas has never answered two inquiries of mine I want you to try him. As you may recall from those papers that his grandparents were from Missouri.

Now I think Rush Phippen's father is a real find. If you put a questionnaire to him about who, where & when his parents, gr. parents, etc. lived you will get valuable data.

Most of the French refugees to this country came via England & to that extent he is correct in saying they came from England & in 17th Century. I have the record of a Jno. W.P. in C.S.A. Also another of Ensign Jos. line & a banker, J.W.P. died in Washington, N.C. a few years ago.

In England there was a Registration Bureau for refugees on Threadneedle St. London. Record of same in Congressional Library at Wash, D.C.

These two Phippen brothers, immigrants, came here poor as so many fine people did in those early days, when religious persecution was rampant in Europe.

I have suspected that they might have been the sons of Denis Papin, the inventor, friend of Huygens, who died a pauper in London. See his record in these papers.

Am glad you are going to clear-up St. Louis crowd. I am going to ask Solomon to clean up the Wilmington Del. crowd. – Don't forget Robt. of Springfield, Mo.

My brother W.H.P. of Los Angeles, on a trip in auto thru Mo. a few years ago said he noticed a nest of R.F.D. Phippen mail boxes on the highway – but he had forgotten near what town they were.

In phone directory (not city) at Ft. Worth, Tex. are listed Leola Pippins, 5713 Leibby St.; Mrs. Mac Pippins, 2021 College Ave.

Ring off, Walter

Letter 4: 1941-06-03

Petersburg, Va

June 3, 1941

Dear Dru:

This will conclude all data that I have on hand to date. I didn't send you all of it in that first batch as I thought I would type the rest. Hereafter, I shall always use the kind of paper you used. You continue to do so.

A correction on line of Thurston Pippen. Add to his sisters and brothers on margin this:

u. Pattie Pippen, who died in 1899

l. Robt. Walter Pippen, who mar. Anna Swindell of Belhaven, Beaufort Co., N.C. He d. in 1926 in Hosp. at Charlottesville, Va. Age 54. Buried at Hamilton, N.C. Their only child:

Philip Pippen, age c. 19 in 1941. Charlottesville, Va. He and mother live there. – Please correct on all three sheets.

Since seeing your line, I too believe you are descended from Howell Pippin of N.C. instead of Noah & Appy Brown Pippen or Nathan Pippen of Martin. The Census Bureau at Wash. could tell you names of parents of Hill Pippen if they would take the trouble & you give them approximate date. I am going to try to solve more of the Pippen problems with their aid.

I have found one Solomon Thos. Pippin of Md. Presdt. of Pippin Ins. Agency, Inc. of Wilmington, Del. Two sons. I believe he is descended from Solomon of Edgecombe, N.C. 1766. I am working on it. I have out about 6 letters of inquiry. Will continue to exchange data with you.

I note 2d wife of Wm. Jasper Pippin was Dolly Cook. I suspect she was descended from my Mordecai Cooke, Emigrant of 1640. He was descended from Lord Mayor of London named in these papers. – In Richmond, Va. Library is a volume giving descendants of Mordecai up to recent years. If she or a descendant will give me her line as far back as possible I shall be glad to check on it in that book.

The McIlwaine family is a prominent one in this town, state and the south. I note Jas. E. Pippin mar Margaret McIlwaine of Penn.

The Yankees hanged my gr father by the thumbs about buried money but he swore it was a lie and they finally spared him. However, he had \$30,000 in gold and silver buried in his garden. It belonged to his minor brother Sam for whom he was gdn. A negro maid in the house told the Yankees he had it. This was after surrender.

Good-bye for this time.

Yrs. Walter

Letters from J.B. Pippin of Sheffield, Alabama

Letter 1: 1928

Note: In this letter, JBP says Joseph Howell Pippin had ten sons, but enumerates only eight, leaving an opportunity for genealogists to play Pin the Tail on the Donkey for the next fifty or so years.

c.1928

Rev. W.W. Pippen
Commerce Ga.

My dear sir,

My sister Mrs Massengale received your letter last evening, and we are glad to get it for it contained some data regarding the family of Pippin that we did not know of, towit regarding the first two of them to come to this country from France, and being prominent during the 7th and 8th centuries. Now regarding our ancestors we do not know; only that Howell Pippin emigrated from N.C. to Middle Tenn, with his family consisting of ten boys and two girls, they travelled over the mountains of N.C. and East Tenn. in a wagon or cart with wooden rims, and settled about 80 miles from Nashville near where Cookeville Tenn is now located. Some of the boys names were Howell, Redmon, Kinch, Louis, William, Henry, Joseph, Willis, and two others that I, do not just now recall their names, the two girls names were Pollie and Sallie. Polly married a Phinn. Sally married a Daugherty. Willis was my father's grandfather, and my grandfather was James, and my father was Willis, so you see that the original Howell Pippin was my great great grandfather and he came from N.C. His son Howell went to Ill. I wrote to a Mrs Pippin of Dennison Tex., her husband was a grandson of Howell Pippin of Illinois. There is a city judge at Dallas Texas named Pippin. I have met the Courtland Ala. Pippins or at least some of them, I think their father told my father, thirty years ago, that his ancestors came from Va. and that he met some Pippin during the Civil war from Miss. and that their ancestors were from N.C. I have heard of the Pippins in south Ala. but never met any of them. I am almost sure that that Pippin of Ill. is of the same stock that we are, and the Pippin at Nashville are our kinspeople. My old grandsire was in the war under Andrew Jackson and ran away from the command in Ga. or Fla. and returned home and his father let him stay over night and put a new pair of moccasins on his feet and sent him back through the Indians country to the army, and he stayed until the war was over and returned to Tenn.

with Jackson after the War of 1812 and crossed the Tenn. river at Jackson Hollow at Sheffield Ala. Part of the road made by Jackson is visible yet down this hollow. I have some wood cut from a log cut by Jackson's men and placed under this road near the river, which was covered with dirt and rock until some years ago we had a freshet and the rocks and dirt washed away and left the log showing. My father was a confederate veteran, but was only a high private he was a sargent I believe, one of his uncles boys was a Captain in the civil war, but enough of this. My father married a Miss Florida A. Henderson of near Rome Ga. in 1865 and there were born in this family six boys and three girls, of which three are living to wit, J.L., W.L. and J.B. and Mrs. Massengale and Mrs. Lula P. Walker at Bridgeport Ala. are the sisters. Mrs Walker is a widow and has been for several years. The writer is an old bachelor and has seen some 54 summers come and go, but is still young, never expect to get old. I see you are fond of dogs, I am a fool about my hound dog, love to go opossum hunting, but do not care about bird hunting. Well as to my fathers peoples church relations, they were Presbyterians (Campbellites) Christians, but his family are Primitive Baptist. My father died in 1916 had he lived until June of this year he would have been 81 years old. Mother was 81 years old on the 12th of January this year and is hale and hearty. She and I keep house and do all our work of all kinds. You mentioned that one of your brothers was in Oakland Calif. I have a brother buried in Oakland Calif. He was a stove molder, and a roamer. When my mother had to go to Birmingham Ala for an operation when she was 62 years old he left home and was never at home anymore, and was hurt in jumping off a passenger train in Oakland and never regained consciousness again. There was a molder there that went to the morgue and identified the body. The molders wired us and I finally decided that it was best to let the body be buried out there and accordingly wired to that effect, and later had a marker erected at his grave. His name was Gordon M. Pippin. If you write your brother out there and if he is ever in the cemetery I would appreciate him looking up the grave and let me know the condition it is in.

Well, doubtless you are worried with this ere this, so I will ring off for this time. Wishing you and yours the best of this life's blessings and an abundance entrance into the better world after this life's work is ended.

Respectfully yours
J.B. Pippin

My dear sir and, I will say Kinsman,

Your letter received and, it came as a surprise to me, for I had often wondered what had become of you, had wondered what had become of you, had wondered if you had passed on as so many have of the Pippin stock in the last few years. I have been wonderfully blessed, have had good health and, am now very active as to be a Young man of nearly 67 summers, my two brothers and two sisters are still living, all except the oldest sister are enjoying good health, I was up at Bridgeport (where both sisters live Bridgeport Ala.) last week to see her. She was some better at the time I left to come home. Yes my mother passed on the 21 of Nov. 1930 and, I am still the old BACHELOR keeping Bachelors Hall but, I have not given up hopes of being a Married man some day in the near future. I am trying to develop a small coal mine near Phil Campbell Ala. so that I may have some income when I become an old man, I hope to make a go of it. Well, are you still in the Ministry? Well, I am writing to a kinsman to try and get all the information I can of the

early Pippin or Pippen stock, and, when I get it I will forward same to you, and, I will gladly cooperate with you to get all the data that I can, and, I will be glad to get all the information that you have gathered about the stock at your convenience. There is or were a Judge C.A. Pippin at Dallas Tex. a J.W. Pippin a merchant at Anniston Ala some years ago, also a merchant at Camden Ark. a few years ago that I met while there, and, there are Pippin at Birmingham and Montgomery Ala. and also at Mobile Alabama that I hear of.

Trusting that this will find you and yours enjoying the best of life's blessings and, to have another letter from you at your convenience I am sincerely yours

Mr. D.L. Pippin
Waynesville Mo.

My dear sir and kinsman, (for I am sure we are related)

I received your letter yesterday and was surprised and delighted to get it. My sister Mrs. Alice Masengale received a letter from the Rev. W.W. Pippen back about 1928 and, I wrote him in reply. Later I got busy to get up what information that I could about the Pippin stock of Tenn. I believe that the William Carroll Pippin (known as Captain Pippin was the son of William (known as Bill) Pippin. Captain Pippin married a Mississippi lady. I know that some of the elder Pippin moved to Ill and Mo. (one of the Pippin that moved to Mo. from middle Tenn. had a hound dog that made his way back to Tenn after being in Mo. for a short time Pippin wrote back about the hound leaving and it came to its old home later) I had a letter some years ago from a Mrs Pippin in Sherman Texas who wrote me that her husbands great grandfather was Howell Pippin of Ill. I have got up at least a bit of the Pippin generation from the original one that came from N.C. to middle Tenn, and I will sometime send you a copy of it if you like. I have a nephew who lives in La. who wants he and I to sponsor a Pippin reunion during the present year, either in middle Tenn. (where I have two half aunts who are in their eighties) or at Bridgeport Ala. We have not made any definite plans yet. I am an old bachelor keep bachelors Hall, do all my work cooking gardening (vegetables and flowers) canning and preserving &c have lived in Sheffield for over 44 years am a Justice of the Peace am clerk of the Woodmen and Woodmen Circle and a member of the Primitive Baptist Church, but enough of this until another time.

What is your business? I can not make what it might be from your letter head.

Would be glad to have a letter from you at anytime, and, we will see if we can get each other any further information about our fore bears. Thanking you for your interest in writing me.

Respectfully yours,

My dear sir and I will say kinsman,

I am sure that we are distantly related, although we may never be able to get it figured out just what the relationship is. I was glad to get your letter and the folder. I am impressed with the scenery around and adjacent to the Pippin Place. I am sure it is an ideal spot for a resort, and, I am sure that your guests enjoys the beauty of nature as depicted in the folder as well as the fishing, boating, horseback riding, and lounging around in the shade, and, I am sure that the accommodations under the ROOF is fine according to what you said in reference to the sterling qualities of the madam. Where was the madam reared? Is she a Tennessean?

Since I received your letter I visited my two sisters and a brother at Bridgeport, Alabama. I found them getting along very well. I went up with a niece that lives at Evansville Ind. Since I got your letter I had a Mr. Simpson of El Centro, California visit me at my office, and he told me about two Pippin at El Centro Calif. I wrote both of them, one letter returned Unclaimed and haven't heard from the other one yet.

Do you know where in Ala. Hill Pippin was reared? There were some Pippin on Crow or Coon Creek in Jackson County Ala. Their daddy went from Jackson or Putnam County down there, he was a distant cousin of ours.

Well, I have told several of my friends that it was out of the ordinary for a man to ask another man for a snap shot of himself, so I am going to enclose one of myself taken a few years back, it will give you an idea as to how I look, for I have not changed but very little in looks in several years.

We are having some real dry weather here in Ala. as well as a whole lots of other places in the whole of the US. Well, if you ever have the opportunity to drop down to the Muscle Shoals area I will be glad to have you visit me, I will try to keep you from starving while in the Muscle Shoal district, and I am sure you would enjoy the scenery down here.

When convenient drop me a line for I will be glad to hear from you at anytime. With best wishes and kindest regards I am sincerely yours,

J.B. Pippin
