Re: HA1 WING SUN

7/27/92003

I certify that this girl

has severe milk intolerance.

She requires milkfree special formula

HN25 since early childhood
(early infancy)

Her elder sister also has

the same problem and likewise

an HN25 since infancy.

Yours
Vincent

DR. VINCENT CHAU

FRCP (EDIN) DCCH (LONDON)

P/S They both have Normal Growth and
development.
