What is Cappies?

Bill Strauss, Director - *Capitol Steps*, and Judy Bowns, Theatre Arts Resource Teacher-Fairfax County Public Schools, VA launched the Critics Awards Program (Cappies) in 1999. Cappies celebrates high school theatre and journalism while fostering a greater sense of community among schools' theatre programs.

The South Florida Cappies, formerly Cappies of Broward County, started in the 2002-2003 school year with five schools.

Now 17 public and private schools from Broward and Palm Beach Counties make it the fastest growing chapter in the US and the only chapter in the state of Florida. Cappies student critics attend each other's high school theatre performances and submit reviews to local papers including the *Sun-Sentinel*. Cappies critics vote on several awards for the annual Cappies Gala, considered the Tony's of High School Theatre.

Welcome to the 2004 Cappies

The Broward Center is proud to be the host of the South Florida's Cappies Gala. This nationally acclaimed program embodies the value of the arts in education and rewards student achievement in Theatre and Journalism. Through our long-term partnership with the School Board of Broward County, Florida, we have developed multi-faceted education programs that support academic learning in the classroom.

The Cappies is a good example of this.

Please join us to celebrate with our students and their families, as we recognize excellence on-stage and in the classroom.

Sincerely,

Mark Nerenhausen, President & CEO
