

April 2004

The Homegrown Reporter

The Official Newsletter of Homegrown 4-Him 4-H Club

Kevin M. Club Reporter

Attention:

There will a sign-up sheet for the fundraiser bake sale next meeting. If you want to sign up to bring a dozen cookies or something, then put your name on the sheet and tell what you're gone to bring. (It doesn't half to be just cookies.)

Mega service

We have passed the following community service ideas: Fair garden all year, pioneer day June 27th, and Columbus worship center ??? (13-up).

4-H camp

For those of you who plan to go to 4-H camp it is coming up on Friday, July 23-27th. The cost is 135.00 a camper. Call the 4-H office for more details.

The barn dance

We have Mrs. Hagerty confirmed for June 18th and Christ the King confirmed for that date too. **Just a reminder:** please be collecting new items, and business donations for the auction. Everyone can be helping out with that part of the planning for the dance. Simply bring in new, unused, or

very gently used items that you might have laying around. Or see if any business want to donate anything.

Attention officers !

Don't forget the officers meeting this Thursday. It will be at the Maxeys and the time will be 1:30 p.m. Mark it on your calendars!

Congratulations senior members!!

Congratulating Jason M. and Rachel G. as new 4-H ambassadors for the year.

Also, Timothy H. was chosen for a year term on the Ohio Teen Council which makes suggestions for curriculum and program changes.

He also won an award that is a two-year position on the Ohio State Fair Junior Fair Board. He was one of two 4-H'ers chosen this year from the whole state. He feels really blessed to have received these awards in addition to being voted Delaware County's Junior Fair Board President for this year.

Clinic Information

On May 15 there will be a “Ready Let’s Sew” clinic at the extension office. It’s from 9:00 – 12:00. You will be learning some of the basics about sewing and completing tasks from your project book. If you need information call the extension office at (740)833-2030.

Cloverbud corner

Cloverbuds took a field trip at the April Meeting to W.A.R.M. With us we took some moms (to drive) and over 200 cans of food that we had collected from our Jumping-Jack-athon! They were so surprised and so were we! It was interesting to see how they sorted and stacked the food and to learn how they really follow Jesus' command to feed the poor. Thanks to the moms that chaperoned and drove.

In May, Mrs. Kneice will be teaching us about the disabilities and the abilities of the blind, deaf, and handicapped. We'll get to learn and try many different things, especially how they are more "like" us than "unlike" us - we don't have to be afraid of them!
