† If a player gets all four "Bastard Cards" (Quitter, Big Brother, Retaliation, & Holy Defender) He is automatically the winner of the Game.

‡ If a player gets the Quitter & Retaliation, his score is 1,000 pts.

* Virus, at the end of the hand, "infects" its owner, adding 10 pts to his score **each** hand afterward.

** Sixty-Nine makes Owner's hand worth 69, but score this is affected by Retaliation, Holy Defender, Magic Red 5, and any previous Virus penalty. Effects are overridden by Big Brother.

*** Harvester of Sorrows is worth Zero points at the end of the hand (Save it for a good occasion).
