Welcome to a new competitive season from the CCFSC Board!

Whether you are a returning member or new to the club, we hope that this new competitive year holds many exciting new experiences for you. From competitions and shows, to making new friends at social events, and learning new moves and jumps, may this new year be both rewarding and fun.

CCFSC has had a busy summer, hosting two competitions at Skatetown: Gold Rush in April, and CCIA in June. Congratulations to all of our club members who skated in these events. We also kicked off the season with a successful critique on August 29. We can never say thank you often enough to every volunteer and coach and judge and competition chair who helped make sure that these events went smoothly. Every contribution made a difference to the skaters' experience. Thank you!

Among the new changes for this year are the election of new officers and members of the board. New to the board this year is Myrna Anasovitch, and Trinda Bedrossian has returned as an official board member. CCFSC has also revived the tradition of having a junior board for members under age 18 and hopes to see many of you participating in the junior board activities.

Our club has also been selected to host the 2011 Central Pacific Regional Championships in October 2010. Check the club website at www.ccfsc.org or contact any board member for updates on events that the club will have leading up to the Championships. You can also reach the board by e-mail or snail mail to: Capital City Figure Skating Club, 2351 Sunset Blvd., Suite 170, PMB 175, Rocklin, California 95765.

MESSAGE FROM THE JUNIOR BOARD

The junior board hosted a meet & greet August 29 with new president Atrin Toussi.

CCFSC will need a logo for the Championships, so the junior board is running a competition. The logo should photocopy well and look good in three sizes: letterhead, program, and T-shirt (that's small medium and large!) The logo should fit in an 8.5-inch wide, 7-inch high box, but not be smaller than 5 inches square (or circle, or hexagon....be creative!). It just has to include the words, "2011 Central Pacific Regional Championships" but not necessarily in that order. Entries are due by November 1, 2009. Contact the junior board for more details.

Introducing our new board members:

Myrna Anasovitch – Myrna's daughter Victoria has skated as a CCFSC member for the past three years. Myrna has been an active volunteer for club-sponsored competitions and showcases, whether through ice-monitoring, desk registration duties, or donating food. A stay-at-home mom and part-time student at Sac State, Myrna says, "I have always felt the need to be productive in some way. By volunteering either through community or club projects I feel is the only way that we can continue to grow."

Trinda Bedrossian – Trinda is new as an *official* board member this year, but she certainly isn't new to the board or to CCFSC. A longtime member, she has been an active volunteer, CCIA delegate, strategic planning advisor and mentor to the truly new board members. Welcome back, Trinda.
