

## WHEREVER YOU WILL GO

So lately, been wondering  
Who will be there to take my place  
When I'm gone you'll need love to light the shadows on your face  
If a great wave shall fall and fall upon us all  
Then between the sand and stone, could you make it on your own

If I could, then I would,  
I'll go wherever you will go  
Way up high or down low, I'll go wherever you will go

And maybe, I'll find out  
A way to make it back someday  
To watch you, to guide you, through the darkest of your days  
If a great wave shall fall and fall upon us all  
Then I hope there's someone out there  
Who can bring me back to you

Chorus

Run away with my heart  
Run away with my hope  
Run away with my love

I know now, just quite how,  
My life and love may still go on  
In your heart, in your mind, I'll stay with you for all of time

Chorus
