

ACCOMMODATION

Free dormitory type of accommodation will be arranged for student participants on prior request in the college campus.

INVITED SPEAKERS

Dr. V. V. S. Suryanarayana

Principal Scientist, Indian Veterinary Research Institute, Bangalore

Dr. R. S. Prakasam

Scientist, Indian Institute of Chemical Technology, Hyderabad

Dr. J. K. Patterson Edward

Director, Suganthi Devadasan Marine Research Institute, Tuticorin

Dr. K. Thankavelu

Director, Central Sericultural Germplasm Resource Centre, Hosur

Dr. S. Seeni, Deputy Director, TBGRI, Trivendrum

Dr. S. Sukumar, Head, ADL Research Institute, Namakkal

Dr. K. Anbalagan, Biotech, Yercaud

Dr. M. Vivekanandan

Head, Department of Biotechnology, Bharathidasan University, Trichy

Dr. G. Vijyalakshmi, MS University, Alwarkurichi

Dr. A.J.A.Ranjit Singh

Head, Department of Biology, Sri Paramakalyani College, Alwarkurichi

Dr. A. G. Murugesan

SPK Centre for Environmental Science, MS University, Alwarkurichi

Dr. A. Gnanmani, CLRI, Chennai

Dr. Gerard Abraham, Associate Professor, Department of Biological Science, Allahabad

Agricultural University, Allahabad, UP

Dr. J. Rabindra, Project Director, Institute of Biological Control (ICAR), Bangalore

Dr. Nataraja Srinivasan, Department of Microbiology, Bharathidasan University, Trichy

Dr. P. Sivakumar, Department of Immunology, Indian Veterinary Research Institute,

Izatanagar, UP

Dr. V. Mohan, Department of Immunology, Indian Veterinary Research Institute,

Izatanagar, UP

Dr. Dungston P. Ambrose, Entomology Research Unit, St. Xavier's College,

Palayamkottai

FINAL ANNOUNCEMENT AND CALL FOR PAPERS

CSIR, New Delhi

Sponsored

National Level 5th Biological Congress

on

“Biotechnology: A Global Perspective”

January 6th & 7th 2006

Organized by

DEPARTMENTS OF BIOLOGICAL SCIENCE

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE

RASIPURAM – 637 408

NAMAKKAL DT, TAMILNADU

Ph: 04287 – 226237, 222137 Fax: 220227

OBJECTIVES OF THE CONGRESS

The prime objective of the 5th National Level Biological Congress is to bring together Scientists, Technologists, Industrialists, Professors, Research Scholars, and Students on a common forum and to have a discussion on the pros and cons of Biotechnology and to bring out the far-reaching consequences of Bioscientific research. Biotechnology is a very rapidly emerging new branch of Biosciences and it is very appropriately called "technology of hope" because it promises food, health and environmental sustainability. The Indian Biotechnology sector is gaining global visibility and is being tracked for emerging investment opportunities.

"Biotechnology: A Global Perspective" will be highlighting the following thrust areas and will analyze and find universal remedies for the problems like hunger, poverty, ill health, pollution, unemployment etc.

- Biotechnology & Environment
- Biotechnology & Health
- Biotechnology & Agriculture
- Biotechnology & Information Technology
- Animal Science & Animal Biotechnology
- Plant Science & Plant Biotechnology
- Microbial Science & Microbial Technology
- Biochemistry & Biochemical Technology
- Academia – Industry Interaction
- Biocareer Development
- Biosafety & Bioethics
- Biotechnology & Business
- Biotechnology & Violence
- Intellectual Property Rights & Patent Law
- Indian Biotechnology in 2020

ABOUT THE COLLEGE

Muthayammal College of Arts & Science was founded by the Muthayammal Educational Trust in the year 1994, with the aim of bringing a new dimension to the study of arts & science. The college currently offers fifteen Under Graduate Programmes and fifteen Post Graduate Programmes in both fundamental and advanced courses. Research facilities leading to M.Phil., and Ph.D., are available in Biotechnology and Biochemistry departments. State-of-the-art infrastructural facilities combined with able and experienced faculty make it possible to impart the latest technological advancements in biological sciences.

CALL FOR PAPERS

Participants can present their papers Orally or by Poster. They are requested to submit the abstracts not exceeding 250 words in 3½ Floppy Disc / CD using MS-Word along with one hard copy.

TECHNICAL SESSIONS

The technical session of the congress will consist of Invited Lectures (~45 min) by eminent scientists, oral (~15 min) and poster presentation by participants. Topics of the session include Life Sciences, Biochemistry, Microbiology, Biotechnology, Bioinformatics, Environmental Sciences, Cell Biology, Molecular Biology, Botany and Zoology.

PARTICIPANTS

Academics, Scientists, Research Scholars, Post-Graduate students from universities, Research Institutes, Colleges and Industries can participate.

REGISTRATION

Participants are requested to send the registration fee, as mentioned below, along with filled in registration forms to confirm their participation.

- ♦ Industrialists / Technologists - Rs.1,000/-
- ♦ Faculty from Academia - Rs.350/-
- ♦ Students - Rs.250/-

Registration fee may be sent by Demand Draft in favour of **Muthayammal College of Arts & Science-Seminar**, payable at Rasipuram.

IMPORTANT DATES

Last Date for Registration and submission of Abstract	-	December 15 th 2005
Last Date for Submission of Full Paper	-	December 20 th 2005
Last Date to Request for Accommodation	-	December 20 th 2005

TRAVEL

The participants are requested to make their own arrangements for travel. Rasipuram is well connected by road with all major towns and cities in Tamil Nadu and is situated between Salem and Namakkal on the National Highway-7.

Train passengers have to alight at Salem, Trichy, Erode or Karur as the case may be and reach Rasipuram by bus.
