

ELIZABETH (ELIZA) REDDICK

Eliza was born on February 19, 1870. On May 5, 1897 in the North Gower Methodist church she married Joseph Henry Bartley; he was 23 years old, she was 27. They were assisted by Wm J. McCulla and Agnes Reddick.

Joseph was the son of Jared Bartley and Eliza Jane Bennett of Oxford township. He was born on February 5, 1874. His mother died on October 2, 1875. After their marriage they purchased the farm of her uncle James Reddick, the front half of lot 4, concession 4, Marlborough township. Eliza had grown up on the rear half of that farm.

There were three children of this marriage,

Jared Colin	born October	10, 1899,
Nelson Henry	born November	13, 1901,
Herbert Arnold	born October	13, 1904 (died 1905).

About 1928 they retired from the farm to the village of North Gower and later to Kemptville where they celebrated their golden wedding anniversary. Joseph died on December 30, 1948, Eliza on June 6, 1950. Both are buried in the Malakoff cemetery.
