

### JOSEPH REDDICK

Joseph, the first son of John and Margaret Reddick was born on February 5, 1864 and baptised in the North Gower Presbyterian church on April 4, 1866.

There is no parish entry for Joseph's death but his gravestone in the North Gower Union cemetery records it as having occurred on November 17, 1876 when he was 13 years old. A few years later, in the practice of the times, another son would be named Joseph.
