

MARY REDDICK

Mary was a daughter of Daniel and Mary Reddick. On an emigration list prepared in 1834 when the family emigrated from the parish of Artrea in County Derry, Mary's age was recorded as eight.

Neither a marriage nor death record has been found for her but Mary seems to have married Thomas Johnston. When Daniel died in 1866, his will referred to his daughter, Mary Johnston. In the 1851 census, with the Daniel Reddick group, were listed:

Johnston	Thomas	23	Ireland	C/E
"	Mary	24	"	"
"	John	1	U.C.	"

Nothing more is known of her.
