

Media Activism Club- Evaluation

Thanks for being part of our club this year! You were all really insightful and showed great commitment to learning about and creating your own media. Your projects are well on their way! I hope you learned a lot, and had fun in the process. We definitely could not have done it without you—it's your perspectives we're trying to put out there! Our club seems to operate on a higher level than most, so I appreciate the hard work you put in. I hope you all join next year! Please help us to improve for next year... This is your club. We want to know what you think! Feel free to attach another sheet if you need more room.

Thanks!
Sara, Amy, Nayema and Tegest
