## Washington Middle School Band Department

Because practicing is so important, your child's music teacher is recommending SmartMusic, a very efficient and enjoyable way to practice. Students can now use SmartMusic at home at a greatly reduced price.

With SmartMusic at home, students have the tools and accompaniments they need to get better on their own:

- SmartMusic Impact Online Grading System allows students, parents, and teachers to easily track student progress.
- Access to assignments of concert music, exercises provided by your music teacher for practice and assessment.
- Email feature for recordings and assessments make it possible to be graded FROM HOME!
- Built-in Tuner and Metronome keep students in tune with a steady beat.
- Students may control the tempo to match their ability level.
- Recording encourages students to analyze their performances.
- New On-Screen exercises, solos, and jazz features with a choice of accompaniments.
- Beginning band students learn with colorful Assessment graphics and contains the complete band book.
- Over 50,000 accompaniments that make practicing at home fun for instrumentalists and vocalists!
