EDITOR'S REPORT

Hi members - I hope everyone had a nice time over the Christmas break and chilled out for a few weeks. I had a very quiet time while I recuperated from surgery but coming good now.

On doing the calendar of events for the year I can say I am really looking forward to them and its nice to have a catch up with everyone each month.

Thanks for the photos coming in of an impromptu run members went on New Years Day - looks like a great day.

We have a busy month in February with a wedding with the MK II Convertible and the Art Deco Weekend Ranfurly - one of my favourite runs so am busy organizing an outfit to go.

Look for photos next month. *Mary-Jean*

CLUB CAPTAIN'S REPORT

Hope you all had a great Christmas and new year and with these sunny days of late have had a chance to take your Z cars out for a spin.

On New Year's day, Malcolm, Christine, Graham, Debbie, Karen and myself went for a cruise up to Moeraki Boulders via the coast, it was a great day out with heaps of stops along the way for sight seeing.

This year it will be great to see more Z cars join us on our runs as we have a busy few months ahead and they are a great way to catch up with members while having a good relaxing day out.

ONCE again any idea's for run's would be great.

Don't forget Poker Run 14th FEB.

Cheers

Stephen

One of Jimmy's best mate's, a local mechanic, who had serviced the Zephyr all its life said it was too good for me as I would only sell it. I told him I would keep it til I die!! (we will see).

Since I have owned it, the car has been repainted, motor has been done up and a brand new gearbox which I bought from Ford Motors in Palmerston. It did not need a new gearbox but got one anyway. Plus brakes and wheels bearings and always have kept up with general maintenance. The old girl has never let me down yet and has now done 112371. As you can see it does not get used very much. Since putting a MK II diff in I enjoy driving it more (thanks to Malcolm).

MY MKI ZEPHYR

The old green MK I Zephyr has not left its home town yet!

I bought my MK I from Jimmy Keane's estate in September 1983. It had only done 91271 miles then. He had brought it from Timaru Motors new in December 1955. Jimmy lived in Pleasant Point just down the road from where it is now.

As my first car was a MKI at the age of 15, I thought it would be good to own another one again. I did not think I would still have it today as it those days I bought and sold cars all the time.

Rose Festival

Sunday morning was nice and fine and we arrived at 9.00 am to set up the Club display at the green at the Bay. As we were taking 3 cars it was a double trip to get all 3 cars there. The cars were arranged in settings with different themes and they looked a picture.

Neville Jarvis and Bruce Bishop were showing off their MK III Zephyrs. Allan Ligget had a Christmas theme with Santa in the driving seat and lots of parcels stacked in the car - Ken Copland with his MK I Convertible looked a picture with the 2 Red and white cars together. Jim Macdonald had his MK I car and also showed his black Mini with the other 11 Minis. Gavin Ladbrook showed his MK II Convertible beside Phil Rooke's MK II Ute - looked like they were going on a trip. Bob Stevens had his MK II and had to leave early.

Then we had the wedding setting with Phil Rooke's MK II Convertible done up as a bride car complete with bride in back seat, and then Steve Rouse's MK II and Phil Rooke's MK II were the bridesmaids cars complete with original 60's bridesmaids dolls and ribbons one green and one yellow.

To complete the setting our club flags were placed around all the cars. Our club should be very proud of the display as its the best I have seen.

Across the green the Mini's Club had 12 plus cars on Display and they also looked great. There was plenty to keep the men occupied while the ladies went shopping.

There seemed to be more arty stalls this year so plenty of shopping was done by all.

Mary-Jean
