

ABOUT THE CLUB

The MidState Miata Club of New York is an organization dedicated to the enjoyment of the Mazda Miata roadster.

Our primary objectives are to provide an opportunity for Mazda Miata owners and enthusiasts to exchange ideas and information, as well as to participate in group events involving the Miata.

The club was formed in 1994, and membership stands at over 100 cars, and covers areas which include Syracuse, Auburn, Rochester, Utica, Rome, Elmira, Binghamton, the Fingerlakes Region, and all points in between.

Our club schedules at least one "official" event each month from April through November. These local events are selected from ideas and suggestions presented by the membership during the annual planning meeting which occurs each spring.

Club activities over the years have included wine tours, historic sites, poker runs, overnight trips, national events,

picnics, tech sessions, boat tours, and museums, just to name a few. Lunch, brunch or dinners are always a part of our group events. In addition club members get together for short drives for ice cream, or coffee stops as part of the unofficial events. Most activities attract between 18 and 30 cars. However, upon occasion we may have more than 50.

Our club newsletter "Miata Meanderings" is published throughout the year, and is the main communication among our membership. Area reps confirm event participation for planning purposes.

A website (www.midstatemiata.com) is also maintained, listing last minute happenings and club photos.

WHY SHOULD YOU JOIN?

- Newsletter
- Club discounts
- Fun events
- Make new friends

Membership Application
