Lyrics Sample:

The other day I saw the news, somebody else complaining
They want the motto taken off of the Benjamin Franklin
They got a problem with my God and that I believe in it,
But they don't got a problem with the money when they
spend it. They're so offended by 4 words that need no
explanation, "In God We Trust" the motto of this greatest
nation. Not just a motto, but something that we truly
believe. If you don't like it, you can pack a bag and you
can leave. Stop complaining, move along, open your
eyes and see what's going on. We need to get back to the
ways of the days of old, One Nation Under God Indivisible.

The Band's Philosophy: 1 Timothy 3:15

"But if I am delayed, I write so that you may know how to
conduct yourself in the house of God, the pillar and
foundation of truth."
