wasted time

-----

it's hard to go just one day  
without feeling like i've wasted time  
would should i have been doing  
was it even worth writing this rhyme?  
the only thing worth while  
is spending time with my girlfriend  
that's the true thing  
i know that was worth it in the end

tootsie frooties

-----

you know what is so very yummy?  
those little things that fill my tummy  
they're red and green and even blue  
can i have one? or maybe two?  
they're better than a tootsie roll  
i'll even eat them while i bowl  
they're so sweet they're liked by bees  
i like to call them tootsie frooties

so much more

-----

i know so much

yet i know so little

like, i could play a clarinet

but i can't play the fiddle

i guess that's the great thing

about not being so great

the possibilities are endless

because learning is my fate

write your own

-----

why do singers use other's songs?  
can't they come up with an original cut?  
it's just like stealing  
can't they just do what's right in their gut?  
i get annoyed with songs like that  
i just want the dj to move along  
this isn't that artist's work  
please just move to the next song

applemusic.com

-----

why do we complain about paying \$15 for one great song?  
aren't you supporting the group? what's so wrong?  
i don't want to be charged per track  
i think greed is something more people should lack  
don't burn songs and steal from the band  
you'll hurt the small groups, taking from their hand  
just stick with the system, buy a cd by an artist  
don't go song by song, or else band loyalty will be missed

get me out

-----

if i bang my head hard enough  
maybe it'll stop the hurt  
why can't i go bacck  
to the days of ernie and bert  
now that i'm older  
i do stupid things  
i float around  
like i have my own set of wings  
why can't i be punished for the  
stupid things i do  
i do these things all the time  
it's nothing new  
when will it stop?  
when will it end?  
i think i see some light  
just around the bend

what's ball about?

-----

we're in a league where you play to play  
you don't play for pay  
so aren't you out there to have fun?  
it doesn't matter if you lost or won  
why do you get so mad at one call?  
just keep going, let's play ball  
if you blow it this play  
don't worry, there'll be another day  
you're going to be out there a while  
why not play with a smile?

my problem

-----

god, i have to ask why  
why does it seem like i fail to try  
all day i say no it won't happen again  
but when darkness falls it's there again  
please help me to see it your way  
then perhaps soon some day  
i'll start acting like i should  
because i knew i actually could

short and 5w33+

-----

some coders have C as their friend  
others are java fans till the end  
to many Perl is the essence of fun  
5 lines in C, but in Perl it's one  
to be 133+ you code in one of these 3  
or anything else, just not VB!

clippy on the brain

-----

neo - Windows is just so darn cool  
if you don't use it you're a tool  
the blue screen of death can be solved by the smart  
all Windows wants is for you to restart!  
and that Clippy, he must be 31337  
is he single? should we meet?

31337 - "WAKE UP NEO! you've gone insane!  
friend To Much Clippy on the brain!  
But do you still want to score tonight?"

neo - you sure bet, find me someone tight

31337 - try in that corner, it's tux, a sight to be seen!  
friend IT'S TIME TO SWITCH TO LINUX, IF YOU KNOW WHAT I  
MEAN!

dairy queen

-----

it is time for yummy dessert  
going to dq or somebody will get hurt  
an crunchy topped cone sounds yummy  
a cookie dough blizzard should be in my tummy  
a tastey smoothie might be right  
to end my hunger and have a good night

studying can be fun

-----

Studying can be fun

think of it as a game

that must be won

Studying can be cool

think of it as a summer day

with a huge swimming pool

Studying is required

no matter what you did

that made your tired

Just get that studying done

get the good grade

then go out and have some fun!

go yankees

-----

Root them on with all your might  
show the other team you have no fright  
jeter can hit and clemens can pitch  
with good fan the yanks will have no glitch  
our job is simple, cheer cheer cheer  
scream and shout in the opponents ear  
let them know that the yanks are our team  
don't just whisper, make sure you scream  
all we ask is to win the game, please  
then we'll shout, GO YANKEES!

the fight in the dark

-----

It was very very very dark  
and I was in Central Park  
The clock rang midnight, no it was one  
when somebody said, "Your time is done"  
I glanced around and saw a gun  
I was not having fun  
I started to run but I had to stop  
"Wait a second, I'm a cop"  
"You be quiet or I'll shoot you dead"  
That's what the mad-man said  
"I won't give up without a fight"  
I shouted back in pure fright  
The man's finger started to move  
so I was gonna have to prove  
that I am the best cop around  
but he shot me and I hit the ground  
When I woke up I was ready to fight  
but there was no person in my sight  
I was gonna spoil that rotten man's scheme  
but then I realized it was all a dream!

huntsville's chucky brown

-----

It's the mighty Tigers of Trumpville  
at the ferocious Lions of Huntsville  
It's the fourth quarter and time is running out  
The fans are on their feet giving out a shout  
The score is Trumpville buy five  
but Huntsville is starting to thrive  
They're on a seven and 0 run  
and Trumpville isn't having fun  
They once had a twelve point lead  
but now they're desperately in need  
Huntsville passes the ball  
to the man inside who's tall  
the big man leaps and jams it in  
Huntsville wants to win  
but Trumpville marches right back down  
to hit a three and calm them down  
Huntsville takes the ball down  
and passes it to Chucky Brown  
Chucky is the hometown king  
When he shoots the crowd will sing  
He tosses up a three-point shot  
He swishes it, boy he's hot  
Huntsville is within three  
but they aren't playing D  
Trumpsville hits another three  
That might be the key  
with little time left the crowd is upset  
but Huntsville isn't giving up yet  
They race right down  
and give the ball to Brown  
Chucky pumps then lets one go  
He hits the three, what a blow  
Trumpsville spirits drop right down  
All their players show a frown  
But Trumpsville gathers all their strength  
they march right down the whole court length  
they hit a shot and start to thrive  
now they're winning by five  
With under a minute left to play  
Huntsville goes all the way  
they come right down  
Chucky hits the ground  
"He was fouled"  
the ref scowled

The crowd jumped to their feet  
they could here Chucky's heart beat  
He swished the first free-throw  
"Way to go"  
the crowd beckoned  
but Chucky missed the second  
The rebound went to Huntsville  
Wow what a thrill  
they're down by four  
but not any more  
Chucky hits a three  
Yippeeeeeeeee!  
Trumpsville, up by one  
walks down court like they've won  
but with time running out  
Chucky gives a shout  
He steals the ball  
He runs and doesn't fall  
He dunks it in  
Huntsville will win!  
Trumpsville tosses it in  
and launch a shot to win  
but no, it doesn't go in  
It's a Huntsville win!

behind me

-----

When I first saw it.....  
I stopped having fun  
and started to run.

The sun was gone  
and darkness filled in  
but I wasn't gonna let it win.

The wind was strong  
It was really blowing  
but I had to just keep going.

I rushed away  
The clouds moved in  
I wasn't gonna let it win.

It had come so fast  
All I wanted was to play  
but it would not go away.

It chased me  
I ran real fast  
Maybe I could just get past.

Nope I'm wrong  
It caught up to me  
At least from what I could see.

It was so dark  
It got very warm  
Yes, it was a Thunderstorm.

i have an apple

-----

I have an apple, what shall I make

How about an apple shake

Wait, there is no reason why

I shouldn't make an apple pie

There's chocolate moose, why not apple mousse

Or how about some apple juice

Now apple honey

That's pretty funny

Now I think I'll make

An apple cake

I guess I could

It better taste really good!

in the morning

-----

In the morning,

on a tree that's high

I see a bird

take off and fly

In the morning,

from a bush that's low

I see a rabbit

get up and go

In the morning,

in Central Park

I see a dog

give a bark

All these signs

may be a warning

'cause they happen

IN THE MORNING!

my trip on the seas

-----

I WAKE UP EVERY MORNING AND LOOK AND SEE  
IN THE OCEAN A CLEAR REFLECTION OF ME  
I GET A LITTLE SEASICK AND FEEL I WON'T LAST  
BUT THEN I'M SAVED, ITS TIME FOR BREAKFAST  
I SPLASHED MY FACE WITH WATER, IT'S FEELING WILL KILL  
IT'S THE COLD COLD WATER THAT GAVE ME THAT CHILL  
I TASTED THE BREAKFAST FOOD  
IT WAS SURPRISINGLY GOOD  
MY CLOTHES WERE WET, ESPECIALLY MY SHIRT  
THE HOWLING OF THE WIND MADE MY EARS HURT  
I ENJOY WORKING ON THE BOAT WITH MY CREW  
BUT I HAVE TO DO MY DUTIES NOW, IT'S ALREADY HALF PAST TWO!

all about me

-----

I HATE TO.....  
ROLL A ONE ON A DICE  
SLIP AND FALL ON THE ICE  
EAT DRIED UP RICE  
PET A FEW HUNDRED MICE  
EAT SOME RED HOT PEPPER SPICE  
OR MEET SOMEONE THAT'S NOT NICE!

I LIKE TO.....  
EAT JUICY STEAK  
WATCH COOKIES AS THEY BAKE  
AND NOT HAVE TO WORK FOR GOODNESS SAKE  
GIVE AND NOT TAKE  
ALWAYS BE AWAKE  
AND FISH ON A LAKE!

I WISH I COULD.....  
OWN A LAMBORGHINI  
HAVE A WISH FROM A GENIE  
BUY A FREESTYLE BIKE  
FIND A GIRL I LIKE  
GRADUATE FROM COLLEGE  
AND OBTAIN MUCH KNOWLEDGE!

my 2 favorite sports

-----

WHEN I PLAY BASEBALL.....  
I LOVE THE SOUND OF THE CRACK OF A BAT  
WHEN I HIT A HOMERUN I TIP MY HAT  
WHEN I FIELD A BALL IN PLAY  
I DO MY BEST ALL THE WAY  
AND WHEN I CATCH THE WINNING OUT  
I JUMP FOR JOY AND ALWAYS SHOUT

I DID MY BEST, AND NOW MY JOB'S DONE!

WHEN I PLAY BASKETBALL.....  
I RUN DOWN COURT VERY FAST  
I TRY MY HARDEST TILL AT LAST  
THE GAME IS DONE

I MADE A THREE  
AND YELLED "YIPPEEEEEEE!"  
I MADE THE SHOT THAT WON THE GAME  
I HOPE I'M PUT IN THE HALL OF FAME!

my stuff

-----

I LIKE TO WATCH MY BIG FAT CATS  
ROLL AROUND AND CHASE FAKE RATS
