when things go bad

when things go bad

and one of us gets mad

i know it'll be ok

cause things always go our way

both just need to take one step back

and see that things aren't so out of whack

we're together, that's the key

and that's the way it's always going to be

justin in iowa

Though I move away to finish school
for you, my Micky, I will forever drool
I'll be around, it's not that far
as long as I have gas in my awesome car
Once both our schooling is all said and done
we'll be together always as one
but for now we'll just have to bear it through
for you love me and i love you

end of the semester

she's done it again

she's good like she's always been

finished with another 14 weeks of classes

and she's the smart one, above all the masses

she's highly organized and well prepared

for every class she has always cared

she tries real hard and gets good grades

and most of all, her love for me it never fades

blue eyes

blue eyes i see
it must be micky
she looks are me
her eyes i see
i love that blue
her love is so true
her eyes were a clue
that's how i knew

long blonde hair

long blonde hair makes micky so fine
long blonde hair lets me know that she's mine
long blonde hair tastes like very good wine
long blonde hair makes by micky babe shine
long blonde hair was a special sign
it said, my micky babe is finest of the fine

good days to come

There are good days to come
every week there will be some
school may be hard and a bit rough
but we'll get through all that stuff
even if today is one that's sad
there is no need to end up mad
for perhaps tomorrow will be the one
the one good day that is to come...

campus life

class can be fun but also a bit hectic
sometimes we're healthy, sometimes we're sick
we go to math, and also to english
hopefully class is canceled, or atleast we wish
good grades are our goals, but learning is key
for a teacher and programmer we shall be
oshkosh is good for our particular needs
we will be rewarded for all our good deeds
a house all alone and kids runnin' round
we'll stay nice and fit, pound per pound
we'll live a life a perfect happiness
spending life together, yes yes yes

family video

the movies we watch are so fun to me
there are so many titles we hope we can see
although we'll never see 'em all, we'll try our best
from Happy Gilmore to Wild Wild West
we see the comedies and even adventure
some about doctors finding the cure
some about parties and some about love
some about snow that's as white as a dove
whatever we watch, whoever stars in it
as long as we're together it becomes a hit!

victory

love is but a beautiful thing
it is something that micky can bring
to me every day and that she does
we love eachother just because
love is so strong between us two
we always find something to do
play vid games on the tv
hit golf balls off a tee
run through the rain and get all wet
go pet store shopping looking for a turtle to get
never ever would i trade it in
for with her i shall always win
