Concerns

- There was the start of a fire pit found in the pasture. We urge parents please talk to your kids about the dangers of open fires. Open fires without a permit is illegal. Fires are not permitted in the commons areas.
- It is illegal, and a huge liability for the Association to allow for motorized bikes and ATVs to be driven on MCA Open Space Property or the streets. The police will be notified if anyone is in violation. Please, also, respect your neighbors, and realize that recreation vehicles should not be driven before noon on weekends, and after 8PM every night.

Dogs

Dogs must be kept within owner's property, leashed when walking, and cleaned-up after when messing. Thanks!
