

DDD Portland Alumnae Group

"Let us steadfastly love one another"

Why Join?

Besides the fact that we are all really fun women to get to know, for most of us, the bond of sisterhood we experienced during our collegiate days was a unique experience.

The challenges and demands of career, family and life, though ultimately rewarding, can limit opportunities to connect with women like ourselves on a regular basis.

Our shared experience through Tri Delta provides an immediate connection, despite where we grew up or went to college. Building on this foundation, our alumnae chapter has become a close-knit community which provides friendship, fun, laughter, and encouragement to one another.

Philanthropy

An important part of our alumnae membership is philanthropy, with a continuing focus on children's charities. For the past several years, we've raised monies for the Portland Children's Cancer Association (CCA).

We also host a holiday toy drive that benefits CCA and a book drive for the Oregon Burn Center, as well donations for Medical Teams International at our Champagne Dessert.

Events & Celebrations

We love getting together to celebrate. We plan events throughout the year that meet the interests of all types. We meet for happy hours, beaver games, bbq's, the ballet, wine tasting, volunteering, book exchanges, family day at the zoo, holiday parties and more! We welcome new ideas to include more fun women to our group!

What we do

We have approximately one event every month, and do get together informally as well.

In addition to our traditional annual events like Founders' Day and Pansy Brunch, we also host philanthropic events including toy and book drives to benefit various charities.

In the past, our efforts have provided gifts and raised money for cancer support groups, hospice, and the Oregon Burn Center.

We also work with the Theta Mu collegiate chapter at Oregon State University supporting recruitment, networking brunches & educational seminars, and house improvement activities, as well as goodies during Recruitment & Finals week.

Website & Networking

The website provides important information to our chapter members and to all Tri Deltas in the Portland area. If you are new to Portland, or simply hoping to reconnect with other DDDs, this is the place to start.

We host fun social events, provide several opportunities for philanthropy, and stay involved with our collegiate chapter at OSU. We are always happy to meet and welcome another Tri Delta sister. If you are interested in joining us for an upcoming event, check the online calendar for details. We hope to see you soon!

Our History

Established in 1913, the Portland, Oregon Alumnae Chapter is celebrating 95 years as a social and philanthropic outlet for area Tri Deltas. We offer an immediate bond of warm friendship and a variety of events for your participation with sisters from near and far. Our membership includes is approximately 60 active members, from recent graduates to Diamond Circle members (75 years as DDDs!). More than 1,200 Tri Deltas are currently living in the Portland area.
