Pearls From Our President

Greetings Tri Deltas! I hope you all had a wonderful holiday season with your families and were able to stay warm and safe during our Arctic Blast. The alumnae group has had a great fall. Despite being lower in numbers than expected (we currently have 40 dues paying members), we continue to plan and participate in fun and meaningful events. In November, we celebrated Founder's Day in Corvallis with OSU collegiates and members of the Mid Willamette Valley Alumnae. It was great to share this experience with members of all ages. I really enjoyed seeing collegiates enthusiasm towards Tri Delta, as well as older alumneas continued dedication. We also participated in movie night at Living Room Theaters. This was a fun evening full of good food, friendship and an entertaining film. Many thanks to Hannah Meredith who hosted our holiday party in December. Always an enjoyable event, this year we were able to donate over three bags of toys to the Children's Cancer Association! Way to go! Speaking of CCA, don't miss the upcoming telethon on 105.1 the Buzz. Many of us members will be answering the phones the evening of Feb. 5th. Feel free to give us a call!). We are very excited and thankful to continue being able to participate in this worthy event. We also look forward to seeing members at our Book Exchange in January and Valentine Wine and Chocolate Tasting at Vino Vixens on February 13th. As you can see, 2009 is off to a very fun and busy start. We hope you can make at least one of our upcoming events! Best wishes for a safe and happy 2009!

Calling All Cooks!

Please help us compile a cookbook of our favorite recipes to share with the collegiate chapter at OSU. If you have a health-conscious and budget-friendly dish you'd like to include in our cookbook, please type a copy and e-mail it to our Collegiate Alumnae Relations Chair, Melissa Pfaff, at melanne37@yahoo.com.

Along with the recipe, make sure you include your name, where you went to school, and a little bit about why you like to make it or the recipe's history (especially if it's a family tradition). We plan to present to the Theta Mu chapter in early 2009. We will also post the recipes to our website so everyone can enjoy.
