

Powell River Peace Delegation

A group of concerned Powell River Residents

February 10, 2003

Attn: Mayor and Municipal Council

We would like to present a resolution for the Municipal Council to consider at the February 11th council meeting.

This resolution has been passed in the City of North Vancouver and is spreading across Canada. The resolution would read as follows:

***"WHEREAS** the threat of war in the current international situation is a concern for all Canadians;*

***THEREFORE BE IT RESOLVED THAT** the Municipality of Powell River urge the Government of Canada to make all possible efforts to achieve a peaceful resolution to this situation;*

***AND BE IT FURTHER RESOLVED THAT** the Municipality of Powell River urge the Government of Canada to join with other states in military sanctions against Iraq only under the auspices of the United Nations and according to United Nations resolutions;*

***AND THAT** a copy of this motion be circulated to the Federation of Canadian Municipalities, the Union of British Columbia Municipalities member municipalities and the local Members of Parliament."*

Please see the attached copy from the City of North Vancouver.

Further, we would like the Municipality's assistance in helping promote the Anti-war rally to occur on February 15th, 2003 in the municipality of Powell River. This is an international day for Anti-war rallies, and we would like to encourage the residents of Powell River to be able to participate. Assistance in the areas of guest speakers, and being able to read the aforementioned declaration at the rally would be of great benefit.

Thank you for your consideration,

Lyn Adamson
