

**Rotaract Club of Tai Po
8th Inauguration Ceremony
16th July 2005**

Dear Rotaractors of Tai Po,

HAPPY 8th BIRTHDAY!

As you celebrate your auspicious inauguration with fun and games, sea breeze and sunshine, I see a revitalized and energetic Rotaract Club of Tai Po, ready to go out and serve with spirit and new ideas!

I wish to congratulate President Kelly and all Board members as you assume office today. Your commitment to devote time and effort to serve exemplifies the ideal of Rotary which is also the theme for this year: "Service Above Self".

Rotary Club of Tai Po will always be your partner-in-service. Let us join hands in our projects for the 4 avenues of service and make this Rotary year a worthwhile and memorable one.

VIVA Tai Po!

Yours in Rotary,
Claire Mak,
President, 2005-2006

Dear Fellow Rotaractors, Rotarians and Honored Guests,

It was a memorable year for me. I wish to thank all my board members for their hard work and commitment to our club and I would like to take this opportunity to thank our Mother Club for the support during the year as well. A special thank you goes to our PP Wilson, who has been extremely supportive of our club.

8 years is not a short period of time. We have faced many challenges, we learn, we serve and we lead. I believe with the leadership from Kelly, we will have another successful year.

Thank you for celebrating with us today. I hope you have a joyful afternoon!

Yours in Rotaract,
Joanne Ho
Immediate Past President 2005-2006

Dear Fellow Rotaractors, Rotarians and Honored Guests,

First a big Thank you to all of you for making it out here to Sei Kung to celebrate this special day with us! I'm certain that you will all leave with great friendships and also a good tan! Your presence makes this day more meaningful to us all.

As President next year, I hope to fully utilize the potential of all my members so that the whole club will give more, not only to the HK Community, but to each other. So that members have the opportunity to develop professionally and to expand their horizons both internationally and socially through the participation of different activities our board puts together. My hope is that the friendships you make here today will be reinforced through the activities that we participate in together in the upcoming year. I am hopeful that the power of togetherness we build will bring more good to both our society and to each of us as individuals.

Thank you once again for celebrating with us today. I hope you have a joyful afternoon!

Yours in Rotaract,
Kelly Chan
President 2005-2006
