Dear Rotarians, Fellow Rotaractors and Honored Guests,

First of all please accept my sincere thanks to all of you for celebrating this special day with us! Your presence makes this day more meaningful to us. I hope you will all leave with great friendships and pleasant memories!

Rotaract Club of Tai Po is stepping into the 10th year. I am glad to have the opportunity of being the President for this significant year. With the new Rotary theme "Lead the Way", I hope to have our club expand horizons in both professional and international areas, as well as keep on caring the community and reinforcing the friendships not only among ourselves, but also with the other Rotaract clubs. I have a strong feeling that we will make another memorable Rotary year with our willing-to-try attitude and cohesive team spirit!

Thank you again for sharing the happiness with us today. Wish you have fun and look forward to seeing you again in the upcoming Rotary/ Rotaract activities!

Yours in Rotaract,
Sheena Cheng
President 2006-2007

Rotary International Convention, Chicago, 2005
By - Alex Fan (International Service Director 2005-06)

After I finished the Rotary Youth Leadership Award (RYLA) at Shao Guan, China in early 2005, I was very lucky to be awarded the Best RYLarian title and granted full sponsor to attend the Rotary International (RI) Convention at Chicago, United States between 18th and 22nd July, 2005. The trip was so unforgettable which enriched my horizon as a Rotaractor.

The main theme of the 4-day event was *Celebrate the Rotary Centennial*, which means celebrating the 100th anniversary of Rotary's establishment! Throughout the days, speeches and seminars had paved the way for Rotary's future work in different areas such as the commitment in Health, Clean Water, Disaster Relief, Education and the like. I am very impressed by the projects being carried out across the globe especially those in developing countries such as exploring ways for clean water and making drainage for agriculture.

Parade @Chicago Town Centre

Besides the formal seminar talks are the sunny weather and friendly people. One of the focuses was the Parade on 19th July, 2005. Districts from all over the world had sent their parade cars in town centre and our District 3450 used traditional dragon lion show as the main theme and it attracted many photo shots.

Friends from All Over the World!

I would like to put emphasis on the scope of people that I met during the RI Convention. I had never imagined I could meet people from different continents especially those from Africa! Rotary has actually played very important role in social projects like finding clean water and medical health in their communities.

Thank you so much for the generous support from District 3450. I know I have benefited a lot from the trip and I am expecting to carry out some meaningful projects in my local community in the near future!
