

# **ALL HANDS MEAT TEENS**

## **{INTRO}**

I get a grin again

## **[1'st VERSE]**

Now this is the part of the all hands meeting  
That looks just like the opening to 2001  
Ok and then the spotlight comes in on Donavan  
Ok and then we cue the keyboard  
Well Ollie I didn't know that E.V.A.  
Was gonna affect everyone in the group

## **[2'nd VERSE]**

I've got an E.V.A. uprising uprising rising rising high  
I got an E.V.A. uprising been drinking gin all day long  
I've got an E.V.A. uprising I think ah what happened  
To X-Ray E.V.A. uprising I gotta get some coffee  
Sir they don't have any more coffee  
Ignore the man behind the curtain  
Mary Beth next slide next slide

## **[3'nd VERSE]**

I got an E.V.A. uprising rising rising rising rising  
LA Woman that's lower Akron that's where  
We're going to have our next layoffs in LA  
I called down to X-Ray in Solon and they said  
They are not working there no more  
I told them like 100 years of X-Ray and we got  
A new corporate plan they said something about  
An E.V.A. uprising kind of made me go real high  
Well I got the value-added blues

# ALL HANDS MEAT TEENS

**[BRIDGE]**

**[Final VERSE]**

In other trading today Picker stock is up 2 points  
Don't delay trade in your virtual stock now  
We interrupt this program to announce that  
The CEO has just received  
A fatal Gunshot wound to the head  
Gosh now I feel like I own part of the company  
The E.V.A.'s arising our virtual stock  
Be ho ho on the horizon I'm gonna get me  
One of those unethical jobs where I can  
Increase the personal profit shares and doing  
Some bribing we'll have 7 strategic initiatives  
Make your asses work for you  
And stop calling them asses
