

ARSON

[INTRO]

[Verse]

I once hurt a girl
Or should I say
She once hurt me
She showed me
Her room
Isn't it good
Bring in your wood

{CHORUS}

*She asked me to stay
And She told me
To sit anywhere
So I looked around
And I noticed there
Wasn't a chair*

[2`nd Verse]

I munched on Her rug
Biding my time
Drinking Her wine
We talked until 2
And then She said
"It's time for bed"

ARSON

{2'nd CHORUS}

*She told me
She worked at Wall Mart
And started to laugh
I said that place really sucks
And then I got slapped*

[3'rd Verse]

And when I awoke
I was alone
With my cell phone
So I lit a fire
Isn't it good
A house built from wood
