

DINING OUT WITH DR. GAY

[INTRO]

[VERSE]

Woke up
I was lying in bed
Stopped drinking
Now I can find the head
So hungry
Don't like breakfast in bed
What could you recommend
For a great meal

[2'nd VERSE]

Young man
Working late at night
I said hung man
Are you hungry tonight?
I said dumb man
What could you recommend
For a quick bite
Downtown tonight

DINING OUT WITH DR. GAY

{CHORUS}

*Doctor Gay
We're dining out with
Doctor Gay
Listen to Liberace
Then go out and play Bocce
Fudge-sickles
Along the way*

[BRIDGE]

{CHORUS}

{CHORUS}

[END]
