

## **KIDNAPPED AT LUNCH**

**{CHORUS}**

*I've been downsized  
And I'll cry if I want to  
Cry if I want to cry if I want to  
You would cry too  
If it happened to you*

**[VERSE 1]**

Nobody knows where Maurice has gone  
But Charlie left the same day  
I went to lunch, came back, they were gone  
Did anyone ask them to stay

**{CHORUS}**

**[VERSE 2]**

Now I see his computer is gone  
His desk has been cleared out today  
How can I work with this going on  
Do you have something to say

**{CHORUS}**

## **KIDNAPPED AT LUNCH**

{BRIDGE}

[FINAL VERSE]

All of the stuff that was piled on their desks  
Now gets heaped up on mine.  
How will this ever get done?  
Mandatory overtime!

{CHORUS}

{CHORUS}
