

## **2 MORE BEERS**

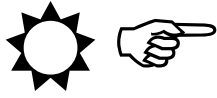

**[INTRO]**

**[VERSE]**

I get up in the morning  
And I head for the fridge  
A beer for breakfast  
In the blink of an eye  
I leave for work a buzz  
And with a cold six pack  
I drink on the road  
And toss the empties in back

**{CHORUS}**

*Your mamma told you  
That you're not suppose  
To drink your breakfast  
Look in the mirror  
Tell me do you think  
Your life's in danger  
Here Yeah  
2 more Beers  
2 more Beers*

## **2 MORE BEERS**

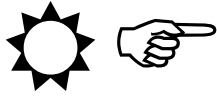

**[2'nd VERSE]**

Another day passes  
As lunch time closes in  
The red light goes on to say  
It's time to begin  
I see a stool is vacant  
The corner waiting  
Can I make it  
I order my beers  
And wait to down  
A shot and throw back  
Several beers  
2 more beers  
2 more beers  
2 more beers  
2 more beers

**[BRIDGE]**

**[3'rd VERSE]**

So now that it's over  
I can't seem to say goodbye  
I have to pee  
So I make my way  
Into the night  
Maybe a bush stop  
Before I go on my way  
My throat is so dry  
I don't know what else to say

## **2 MORE BEERS**

[FINAL VERSE]

I never wanted I  
To end this way  
Or have to drink Carling  
Believe me  
When I say to you  
I think I'll never be sober  
2 more beers  
2 more beers  
2 more beers  
2 more beers
