

## **A BAND THERE IS NO CURE FOR**

### **[INTRO]**

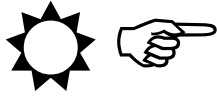

Bah bah bah bah bah-bah  
Bah bah-bah  
Bah bah bah bah

### **[VERSE]**

I'm sleeping  
And right in the middle of a wet dream  
When all at once I wake up  
From something that keeps  
Knocking at my brain  
Before I go insane  
I hold my microphone to my head  
And spring up in my bed  
Screaming out the words you'll dread  
I think I love you  
I think I love you

### **[2'nd VERSE]**

This morning  
I woke up with this feeling  
I didn't know how to deal with  
And so I just decided to myself  
I'd record it to myself  
And never brag about it  
And did not go and shout it  
When R.F. walked into the room

## **A BAND THERE IS NO CURE FOR**

**{CHORUS}**

I think I love you  
I think I love you  
I think I love you  
So what are we so afraid of  
Afraid that we're not sure of  
A Band there is no cure for  
I think we love you  
Isn't that what life is made of  
Though it worries us to say  
We have always felt this way

**[BRIDGE]**

Doo doo doo doo  
Doo doo doo doo  
Doo doo doo doo doo  
I don't know what we're up against  
I don't know what it's all about  
We've got so much to think about  
Heeyyy

**{CHORUS}**

## **A BAND THERE IS NO CURE FOR**

**[FINAL VERSE]**

Believe me  
You really don't have to play us  
I only want to make you happy  
And if you say "Hey, go away" we will  
But I think better still  
We'd better stay around and bug you  
Do you think we know our place  
Let us scream right in your face  
Do you think you love us

**{CHORUS}**

I think I love you  
I think I love you  
(Repeat and fade)

**[END]**
