

TO MY BELOVED GRANDMA

[1'st VERSE]

I get a woody
Every time I think of you
A beautiful thing
Like every dream
I ever knew
Now deep in my heart
And deep in your eye ow
I feel it grow
And felt the pain
It was good for me too honey

[2'nd VERSE]

I get a woody
Every time I think of you
A beautiful branch
From some enchanted tree
Enchanted with you
Now deep in my heart
So deep
I hear you say
I hear what you said
This is the day
Yeah
