

## **SILENT BUTT DEADLY NIGHT**

### **[1'st VERSE]**

Silent night  
Mommy what's that man  
Doing over there  
Holy night  
All is fun  
What's he doing over there  
All is bright  
Where's the Virgin  
Mother and child  
Excuse me  
Why did you have beans for lunch  
Mommy why does it smell in here  
It's a silent night all right  
Mommy what's that man  
Doing over there  
Can I get another  
Torpedo burrito over there  
What time is it  
What's that man doing over there  
Dirty hands dirty pants  
Atta boy Luther
