

## **TONY IS A BROKE**

### **[ 1'st VERSE]**

Hey Tony  
You want to Jam with me  
I don't know  
You play that crazy  
Radiation Factory music stuff  
Yeah but it be kind of cool  
You know we can kind of like  
Get together and a play  
Some Baroque music  
You know what I mean  
I don't know you play that  
Crazy music  
Go on Vivaldi what are you  
Some kind of butt wipe  
Jam with the Radiation Factory already  
Ok
