Fee Schedule

All prices are rounded to the nearest whole dollar

Basic Fee Rates: (revised August 20, 2009 - subject to revision at any time)

Mon. - Fri. \$510/day for ≤ 8 hours "on the clock" (lunch of ≤ 2 hours not included in charged time).
Overtime rate of \$96/hour applies after the first 8 hours for all locations, and for all Saturday hours.

Emergency Clinics

Mon-Thu: Per diem rate applies to 6pm-12pm shift; then add \$191 for overnight. Will be less if "slow".

Fridays: Per diem rate applies to 6pm-12pm shift; then add \$255 for overnight. Will be less if "slow".

Saturdays: See Below

Major Holidays: See Below

Saturdays (non-holiday):

Every hour charged at the overtime rate stated above with a

5 hour minimum* for local or day trip, and for long trips if booked with other days.

8 hour minimum* for Saturday-Only long trips.

* = Time clock begins when I leave my house and stops at shift's end.

Three-Day Holiday Weekends (Labor Day, Memorial Day, etc., including variable date holidays):

Fridays, Saturdays and Mondays of these weekends, if available,

WILL have special rates or bonuses over and above the 1.5X overtime rate.

Major Holidays: usually not available, but "everybody has his price"...

...be sure you're desperate and sitting down if you seriously inquire about these ;-)

<u>Quick Estimate Chart</u>		as of 06/01/09	planned 01/01/09	planned 06/01/10
All Locations				
Mon - Fri	8.0 hours	\$510	\$520	\$530
	8.5 hours	\$558	\$569	\$580
	9.0 hours	\$606	\$618	\$630
	9.5 hours	\$653	\$667	\$680
	10.0 hours	\$701	\$715	\$729
Saturday	≤ 5 hours	\$478	\$488	\$497
	5.5 hours	\$526	\$536	\$547
	8.0 hours	\$765	\$780	\$796

Transportation & Lodging Fees

"Day Trip" (single or consecutive days 30 to 75 minutes away):

(Price for 1 gal reg. gas X Round trip miles/16mpg) + (Drive Time – 30 X \$1.06) rounded to nearest dollar.

To calculate an estimate of travel fee, open this in an OpenOffice.org or an Excel-compatible spreadsheet & fill in the red boxes. To download a functional spreadsheet copy, see website: <http://www.geocities.com/relievet/>

Reg. Gas price **\$2.49** Miles One Way **300** Drive Time **290** Travel Fee **\$370**

Estimated distance and time can be found at <http://maps.google.com/> or <http://maps.yahoo.com/>

"Long Trip" (consecutive days requiring overnight stay; > 75 minutes one-way):

A. Transportation: Same as "Day Trip"

B. Client agrees to provide acceptable, private lodging (doesn't have to be fancy, just "nice enough" that you wouldn't be embarrassed to put your friends or family there; must have internet access)

Must be agreed to in advance of booking.
