

## **Rhoda Faye Abidog**

[rhodafaye@yahoo.com](mailto:rhodafaye@yahoo.com)

### **OBJECTIVE**

I seek a position as a Web Producer/Designer or Site Content Manager, where I can utilize my creativity, site-management skills, technical and industry knowledge, computer skills, interest in the Internet, and overall computer experience.

**SKILLS** (Please see my Web Portfolio at <http://www.geocities.com/fayesicotte/>)

- Web site management and design skills
- Advanced knowledge of HTML, including the design, creation, and management of corporate and personal home pages:
  - <http://www.infraforum.net>
  - <http://www.ftsi.fujitsu.com>
  - <http://www.geocities.com/Heartland/Plains/4711/>
  - trustedanswer.com web site (archive: <http://www.geocities.com/fayesicotte/trustedanswer>)
- Knowledge of JavaScript, UNIX, and (introductory) PERL
- Experience with dynamically-generated pages (e.g. ASP, Cold Fusion, and PHP)
- Basic knowledge of web server administration
- Technical writing skills (online FAQs)

### **APPLICATION EXPERIENCE**

Adobe PhotoShop, Adobe ImageReady, Macromedia Flash, Microsoft FrontPage, Macromedia Dreamweaver, Arachnophilia, Netscape Navigator/Communicator, Microsoft Internet Explorer, RightNow Web, WebTrends, Eloquent Launchforce, Cold Fusion Studio, Active X Control Pad
