

Judith Susi Gutierrez - (Daughter of Carlos and Rosa Gutierrez.)

Grandma,

Just as you did in life, I ask that you take care of each and everyone of us ~~know~~ from Heaven. I think we all need to hear you yell at us to remind us to be good. So I ask you to please ~~take~~ watch over my mom and let her know some how that you are okay. She needs ~~for~~ your help right now to get her through the tough time she is having dealing with your death. So please watch over her and make her strong for us. We need her in our lives just as much as she needed you. I know that you and grandpa loved her very much and that some how from Heaven you will give her ^{the} strength that she needs right now. I love you and miss you very much. But, you will live on in all our hearts.

Love always.

Judy Gutierrez.
