

# Lakeside Fishery

## Fellgate

### Rules and Regulations

1. Anglers must have TAA Card, Member Club Card, Rod Licence, as you will be checked by authorised Water Watchers.
2. Fishing will be from designated pegs only. There will be no fishing between pegs.
3. Fishing is from dawn to dusk.
4. There is to be no camping or "bivies" allowed.
5. There is a limit of 25 pegs on the main lake and 20 pegs on the small lake.
6. No fish are to be removed at any time.
7. Please leave no litter, light no fires, and leave your peg as you would wish to find it.
8. There is a two rod limit per angler. Anglers must fish no further than halfway to the next occupied peg, whether to the left, right or far bank.
9. A maximum of 1lb of groundbait is allowed per angler.
10. Keepnets must be a minimum of 8ft long and no Carp of any size are to be retained in one.
11. Barbless and microbarb hooks only to be used.
12. Park in the lane leading to the Lakeside and not in the Car Park as this is reserved for Patrons only. Any angler parking adjacent to the pub will be clamped with a release fee of £60.00
13. The lakes will be open during the Annual Close Season but keepnets are not permitted from the 16th March till the 16th June.
14. Please Note: The continuation of this fishery is based entirely on the goodwill of the owner. If any angler is found in breach of these rules he/she will be asked to leave and be reported to their member club. Persistent offenders will be banned for life from the "Tyne Anglers Alliance".
15. Any report of misbehaviour by any angler on TAA waters will, in first instance be reported back to the member club, to be handled at club level and the TAA be informed of any action taken.
16. Clubs must exercise the usual controls regarding litter, fires, parking etc.
17. Coarse anglers must use keepnets of a minimum length of 8ft and no coarse fish may be removed from fishery. Game rods may take fish only as determined by the rules specific waters.
18. Each still water controlled by the TAA shall be subject to specific rules which the committee may amend at any time to cater for angling pressures on waters.

Please note, the TAA membership does not entitle you to fish the waters belonging to clubs affiliated to the TAA. It only entitles you to fish controlled and managed by the TAA.
