

Cymot SKW start with victory and cruise to top of log

Friday, 22 October 2004

Yesterday at 20h30 kick-off time it was reality for the Cymot SKW players to show off what every one expects them to do. In the first 15 minutes the side started nervously with many individual mistakes. However, in the 17th minute it was van Wyk who was brought down in the penalty area and referee Boy Boy Matjila did not hesitate to show to the spot. Keeper Wiedenroth went forward and made sure with a hard penalty kick into the left corner. Now the barriers in the players' heads were broken and Cymot SKW took complete control of the game. It was Kakuva, Ling and von Stryk who turned the score to 4-0 before a mistake from Cymot SKW keeper Wiedenroth gave Hotspurs the opportunity to open their score just before halftime. Halftime score 4-1.

After the break Cymot SKW again took about 20 minutes to settle into the game, before van Wyk, Zimny and again von Stryk made it 7-1. Hotspurs, although convincingly beaten, did not give up and were rewarded towards the end of the game with their second goal, after some slack defending from a corner kick. The final score 7-2 in favour of Cymot SKW. In another game last night at the SKW Stadium Invincible FC earned a 2-0 victory over Kingston United.
