-  Monthly invoices will either be given at the 1st lesson of each month or emailed by the 1st of the month.
-  Payment is due at the first lesson of each month.
-  Please pay by cash or by check. Make checks payable to Darlene Rose.
-  There will be an in-home driving fee of \$2.00 applied for each in-home lesson.
-  A \$15.00 fee will be asked of you to pay, in the event that the bank returned check due to insufficient funds.

Cancellation Notice

Please allow 24 hours notice of any cancellation phone calls. Cancellation phone calls will allow the private student to receive a make-up lesson. It is important to contact me at 360-936-1069 since I am traveling to your location. If the phone call is not received then you will not be credited for that lesson nor can that lesson be made up.

Make-Up Lessons

Private lessons can be made up if I am notified in a timely manner of a cancellation. In the event we are unable to reschedule your lesson, I will credit your next month's payment which will reflect on your invoice.

WITHDRAWAL POLICY

There is a two-month minimum enrollment requirement for all private lessons. A thirty-day notice is required to discontinue lessons. Refunds will be evaluated on a case by case basis.

Keys to Success

1. When to practice? "Only on the days that you eat!" The best plan is to make practice a part of your daily routine. If you know you will practice at a certain time every day, it will happen with very few exceptions.
2. Set goals to try to accomplish in each practice session.
3. Work on the most challenging spots first. Count, Say & Play.
4. Break the music down into small sections. (*How do you eat an elephant? – One bite at a time!*) Repeat the passage many times AFTER you get it right.
5. Before you end each practice session, play the entire piece, and enjoy!
6. Remember to enjoy what you are doing and have fun!
